CHAPTER 1

GENERAL

010101. DEFINITION. Delayed entry is the military status gained by an enlistment in which a service member's entry on active duty (ACDU) or initial active duty for training (IADT) is postponed for up to 365 days (12 months) with the exception of juniors who will be mid-year graduates. All up and coming new high school seniors (scheduled to graduate at the completion of the next school year) entering DEP during the months of May, June and July are authorized to remain in DEP for a maximum of 455 days (15 months).

010102. PURPOSE

a. Maintain DEPpers motivation throughout their time in the DEP. Motivation serves to build commitment to the Navy while minimizing attrition. Central to this purpose is the mentoring relationship established and maintained between the recruiter and the DEPper.

b. Mentally and physically prepare DEPpers for Recruit Training with the objective of reducing attrition. Inherent to this requirement is the ability to pass the Non-Instrument Drug Test (NIDT) and Initial Fitness Assessment (IFA) prior to shipping.

c. Consistently screen DEPpers to ensure they continue to meet enlistment criteria which may affect their ability or eligibility to ship. This also ensures that the DEPper remains qualified for program guarantees or enlistment options.

d. Encourage DEPpers to provide quality referrals to recruiters who can discuss Navy benefits and opportunities with these prospects.

Note: All of these goals can be accomplished through regular contact and an imaginative, but common sense, approach to planned DEPper activities. The first essential step is frequent communication between recruiters and DEPpers. This contact should not be limited to telephone calls or routine visits to the recruiter's office. A dynamic, professional, imaginative program of activities designed to spark the DEPper's interest and prepare them for recruit training is key. Not only will this ensure that DEPpers stay in the DEP but also greatly enhance their chance for success at RTC.

010103. GENERAL. The primary focus of DEP Management is overall program oversight, administration, and improvement. Some degree of DEP attrition will occur; however, effective DEP management should reduce the quantity of surprise attrites and minimize the effect of the attrition that does occur. Properly used, the tools presented in this section will enhance program effectiveness. However, improper use, particularly in the frequency of or phraseology used during Executive Screens and DEP

Recertification, could result in a higher level of attrition than would be experienced by doing nothing at all. Proper usage does not place doubt in the DEPper's mind about the credibility of the recruiter, does not bring the DEPpers commitment to ship into question, and does not question the integrity of the DEPper, Recruiter, or the Navy.

010104. DEP PROGRAM RESPONSIBILITIES. Each member of the chain of command must ensure the DEP is meeting intended objectives to support program effectiveness while proactively seeking program improvements.

Note: Maintain a professional atmosphere during any interaction with DEPpers and/or their families. Derogatory comments, jokes, poor language, etc., must not be used. Keep in mind the Navy's policies on sexual harassment, fraternization and an individual's rights regarding the Freedom of Information and Privacy Act.

All findings shall be documented in R-Tools and any further action taken as necessary to resolve any issues that might impact shipping.

(10) Review all Turnover Audits. Retain on file for two years.

I. Recruiter-in-Charge (RinC). The RinC's leadership role is critical to the success of the DEP; more simply put, no one is more important. The RinC must be held accountable for what happens, or what does not happen, with his/her DEP pool. Duties and responsibilities are as follows:

(1) Provide the overall supervision required to ensure the NAVCRUITSTA and assigned recruiters comply with this instruction and local policies promulgated by the Commanding Officer.

(2) Schedule and coordinate DEP activities/functions. Ensure all DEPpers and their families are afforded the opportunity to attend and contribute to the program.

(3) Maintain consistent and continuous contact with each DEPper. A minimum of three phone contacts and two face to face contacts per month including DEP Meetings

(4) Ensure solicitation of referrals from DEPpers.

(5) Establish a DEP Training Folder prior to indoctrination for each new DEPper. The DEP Training Folder is retained at the NAVCRUITSTA until the Sailor graduates from Recruit Training Command (RTC). The DEP Training Folder and Checklist, (Exhibit 010103) contains an example of the cover letter for a training folder. Every additional document pertaining to the DEPper shall be maintained in this folder and documented in R-Tools as necessary.

(6) Ensure that 72-Hour Indoctrinations are conducted by Recruiters at the DEPper's home. The RinC will accompany all new Recruiters on their initial 72-Hour Indoctrination. All DEPper's who receive their 72-Hour Indoctrination by the Recruiter only, will be contacted by the RinC via phone or face to face within five days minimum, after completion of the 72-Hour Indoctrination

(7) Ensure all required DEP Recertifications are completed and retained in the DEP Training Folder until graduation from RTC.

(8) The RinC shall ensure each recruit receives a minimum of one personal letter from their recruiter while at RTC. The letter should be written no later than one week after the DEPper ships to RTC and should provide encouragement and motivation to the new recruit during the first few weeks of RTC. A copy of the letter shall be retained in the DEPper's Training Folder and documented in R-Tools. Contact information can be obtained by the Recruiter accessing the STASS (Write your Recruit) on the Recruiting Quarter Deck.

(9) Ensure the parents/spouse have Recruits contact information no later than one week after the DEPper ships to RTC and again one month after ship date. Contact information can be obtained by the Recruiter accessing the STASS (Write your Recruit) on the Recruiting Quarter Deck.

m. Recruiter. The most important element relating to the ultimate success of the DEPper is the "hands on" involvement of the recruiter. It is the recruiter's personal involvement that will, in the end, determine whether the maximum benefits of the program are realized. The recruiter's responsibilities include, but are not limited to:

(1) Take the role of mentor and provide guidance to the DEPper on all issues. The goal is to develop and maintain a professional trust and bond with the DEPper, and ensure a smooth transition during the journey from civilian life to military life.

(2) Conduct the DEP in accordance with the guidance set forth in this instruction and local policies promulgated by the Commanding Officer.

(3) Maintain consistent and continuous contact with each DEPper. A minimum of three phone contacts and two face to face contacts per month including DEP Meetings

(4) Record and update DEPper contact and participation in R-Tools.

(5) Respond promptly to DEPper needs as they arise, especially when it may alter shipping status. Inform and coordinate this activity through the RinC.

(6) Solicit referrals from DEPpers and provide the disposition of each referral to the DEPper.

(7) Ensure that 72-Hour Indoctrinations are conducted at the DEPper's home. The 72-Hour Indoctrinations will be held no later than three days following enlistment unless scheduling conflicts do not allow the DEPper's parents/spouse to be present. In this case Recruiters are allowed five days to complete the 72-Hour Indoctrination.

Name(s)
Street Address
City, State, Zip

Dear Mr. (*and/or*) Mrs. (*Name*):

On behalf of the Secretary of the Navy and the Chief of Naval Operations, I welcome you to our "Navy Family". I am sure you are very proud of the recent enlistment of your (*son/daughter/spouse*) (*name*), in the United States Navy. With enlistment, many superb opportunities for experience and education will be available.

Even though your (*son/daughter/spouse*) is likely to begin (*his/her*) time in the Navy as a member of the Delayed Entry Program (DEP), (*he/she*) will immediately begin activities, which will provide an opportunity to learn more about the Navy's programs and prepare them for Recruit Training. Additionally, through (*his/her*) conversations, (*his/her*) friends and classmates may become interested in the Navy's fantastic training opportunities and good paying jobs and ask if they might get the same chances too. Your (*son/daughter/spouse*) can benefit from this natural curiosity by bringing to (*his/her*) recruiter's attention these interested individuals. If (*his/her*) friends enlist in the Navy, your (*son/daughter/spouse*) may be advanced to pay grade E-2 or E-3, which is a monetary benefit per month initially, and a substantial amount over the course of (*his/her*) enlistment. Your (*son/daughter/spouse*) should contact (*his/her*) recruiter for more detailed information on this subject. This early advancement will also move (*him/her*) up the promotion ladder, making (*him/her*) eligible nine months earlier for each successive pay grade.

While your (*son/daughter/spouse*) waits for (*his/her*) active duty date, I highly encourage you to become more familiar with the Navy by attending the local recruiting station's DEP information sessions (DEP meetings). The meetings are mandatory for your (*son/daughter/spouse*) and are designed to prepare them for Recruit Training. Your assistance in ensuring they attend these meetings is greatly appreciated.

Please place the enclosed Navy bumper sticker on your vehicle in support of your (*son's/daughter's*) decision and our local Navy recruiting effort. Again, welcome to the "Navy Family".

Sincerely,

Commanding Officer

EXHIBIT 010102. LETTER TO PARENTS OR SPOUSE UPON SHIPPING OF DEPPERS

(Parents or Spouses Full Name)
(Address)
(City, State, Zip Code)

Dear Mr. and Mrs. *(Insert Parents or Spouses Last Name)*:

Congratulations once again on your *(son/daughter/spouses)* enlistment in the United States Navy. In these extraordinary times for our nation, I understand the mixed feelings you may have regarding *(his/her)* departure for recruit training. Let me assure you that your *(son/daughter/spouse)* is in good hands. *(He/She)* is about to begin the process of becoming a Sailor in the most respected military organization in the world - the United States Navy. Below is a brief summary of what to expect during the next two months.

Processing

This is the first series of events at Recruiting Training. It occurs during the first four to seven days after arrival at Recruit Training Command. Immediately upon arrival, your *(son/daughter/spouse)* will be assigned to a recruit division. Before commencing training, *(Insert DEPPers First Name)* will undergo an additional medical and dental screening, complete administrative processing, and take an initial physical fitness test. *(He/She)* will also receive instruction on basic drill movements, Navy customs and courtesies, rank structure, barracks procedures, and personal hygiene.

Training

As the name implies, the bulk of time spent during recruit training is dedicated to training. This training focuses on transforming your *(son/daughter/spouse)* from a civilian into one of the Navy's newest Sailors. The training and classes include the following: leadership, Navy history and traditions, military courtesy and discipline, the military code of conduct, basic deck seamanship, uniform regulations, basic drill movements, first aid, and firefighting. Perhaps the most important classes cover the Navy's core values: Honor, Courage and Commitment. Your *(son/daughter/spouse)*'s final evaluation rests upon mastery of these subjects and physical conditioning. Physical training becomes increasingly more challenging throughout the two months. All recruits participate in conditioning runs, calisthenics, water survival, and swim qualifications. Your *(son/daughter/spouse)* will undoubtedly graduate from boot camp in the best shape of *(his/her)* life.

Battle Stations

Battle Stations is the final event before graduation. It is a very challenging series of training evolutions where your *(son/daughter/spouse)* must put together all *(he/she)* has learned at boot camp. Battle Stations is a test to see if *(DEPPers First Name)* is truly ready to join the Fleet. The most important lesson your *(son/daughter/spouse)* will come away with is the concept of TEAMWORK. *(He/She)* will learn that any task, no matter how difficult it appears, can be accomplished by working together with fellow recruits as part of a team. When your *(son/daughter/spouse)* completes this last challenge, *(DEPPers First Name)* will no longer be a recruit but will be recognized as a Sailor in the United States Navy.

Graduation

Graduation is a very special day for your new Sailor. It is the time when your *(son/daughter/spouse)* will be recognized publicly for all the hard work, determination, and perseverance that was required to complete recruit training. You are a big part of the reason for *(his/her)* success and you have every right to feel proud of *(his/her)* accomplishments. As a result of recent events, heightened security measures are in effect on all military installations. This means that there is the possibility that Recruit Training Command, Great lakes will be closed to visitors, and guests will not be permitted to view the graduation ceremony. Before making any travel plans, I encourage you to call the Recruit Training Command at (847)688-2405 (select option three). If you have specific questions regarding graduation, you may select option four to speak to an operator. Additionally, the Command Duty Officer may be contacted at (874)688-7866 if you have further questions. You can also visit their website at <http://www.ntcgl rtc.htm>

If graduation is open to the public, I strongly encourage you to attend. There are few experiences more exhilarating or moving than recruit graduation and I know you would not be disappointed.

In closing, the training will be demanding but your *(son/daughter/spouse)* will always be treated with dignity and respect. For many young adults, there is an initial shock that comes with the regimentation of military life. I cannot stress enough how important your help is during this transitional period. Mail from you, other family members, or friends can help tremendously. These letters can provide an emotional lift and are often the highlight of a recruit's day. Additionally, you are always welcome and have a standing invitation to all DEP functions in the station where your *(son/daughter)* enlisted. Feel free to contact the recruiters at any time if we can be of assistance to you or your family.

Once again, thank you for your support and welcome to the Navy Family. If you have any questions, please feel free to call my Command Delayed Entry Program Coordinator, *(Insert the current coordinators name and phone number)* or my Command Master Chief, *(Insert the Command Master Chief's phone number)*.

Sincerely,

(Insert Commanding Officers name)
Commander, U. S. Navy

PREPARATION FOR RECRUIT TRAINING

020101. GENERAL. All DEPpers must be physically and mentally prepared to cope with the challenges of recruit training. All efforts to help the men and women in the DEP prepare for recruit training will provide dividends in the form of fewer RTC attrites and better Sailors in the Fleet.

020102. MENTAL PREPARATION. DEPpers must be mentally prepared for recruit training both in terms of attitude and knowledge. Too many recruits, bewildered by the abrupt change in environment, become apathetic or hostile towards training and the Navy. This produces numerous attrites of otherwise qualified men and women. Mental preparation begins with the 72-hour indoctrination and concludes with a final briefing with the DEPper just before they ship to RTC.

020103. DEP DIVISION ORGANIZATION. All DEPpers assigned to the same NAVCRUITSTA should be organized into a DEP Division. This can increase mental preparation by familiarizing DEPpers with the Navy chain of command, introducing them to the titles used at RTC, and providing them with an opportunity to lead other DEPpers.

a. It is not required that all positions be used in the Chain of Command, only those needed for effective organization. DEPpers should be assigned limited responsibilities and encouraged to take an active role in the development of junior personnel. However, the mentoring relationship and performance counseling functions must remain the sole responsibility of the recruiter.

b. If at all possible, DEPpers should have the opportunity to advance up the Chain of Command based on their motivation, number of referrals provided, PQS Qualifications, and demonstrated teamwork.

020104. 72-HOUR INDOCTRINATION. A good 72-hour indoctrination will eliminate buyer's remorse and provides a good foundation for the DEPper's relationship with the recruiter during their time in the DEP. All 72-Hour DEP Indoctrinations (Exhibit 020101), will be documented in R-Tools and a copy will be placed in DEPper's training folder. Written authorization is required from the Zone Supervisor prior to conducting 72-hour indoctrination outside the DEPper's home. The RinC shall accompany each new Recruiter on their initial 72-Hour Indoctrination. The DEPper's Parents/spouse should be highly encouraged to attend the 72-Hour Indoctrination. This allows parents/spouse to ask questions and understand the requirements the DEPper must fulfill while in DEP. The 72-Hour Indoctrinations will be completed no later than three days following the DEPpers enlistment unless scheduling conflicts do not allow the DEPper's parents/spouse to be present. In this case Recruiters are allowed five days to complete the 72-Hour Indoctrination. The following items are the minimum to be covered:

- a. Make the DEPper feel part of the Navy team. Explain how military titles will be used in all communications. (DEPper, (Petty Officer Recruiter Name), etc.)
- b. Review the Enlistment Contract. Explain that program guarantees are contingent on the DEPper maintaining eligibility for the program and Navy.
- c. Explain the Navy's Zero Tolerance Policy on drug and alcohol abuse. Do this in a manner that reflects this as a positive standard of the Navy, not a challenge or warning to the DEPper's integrity.
- d. Explain that the DEPper is now a representative of the United States Navy in the community, and that their conduct reflects on the image of their Navy.
- e. For 11S (High School) DEPpers, brief them on the Navy's "Stay in School" policy and ensure they understand their responsibilities for graduating from high school, as well as providing a copy of their grades at each reporting cycle.
- f. Explain they must notify you of any illness or injury, any academic problems at school and any involvement with police authorities, regardless of how small.
- g. Explain the requirements and objectives of the Monthly Mentoring Contact and Monthly DEP Meetings.
- h. Explain the Referral Recognition Program, and how earning early advancement benefits the DEPper both monetarily and by accelerating the advancement timeline.
- i. Explain DEP PQS. Express that at the first Monthly Mentoring Contact you will go through the PQS and assist the DEPper in developing a PQS schedule according to their ship date.
- j. Review the physical fitness requirements in DEP and at RTC.
- k. Express your commitment to assisting the DEPper in getting the most successful start possible in the Navy. Ask if the DEPper or their family has any questions. Resolve each question or concern. Any unresolved issues have the potential to create buyers remorse if not appropriately addressed.

020105. MONTHLY MENTORING CONTACT. The purpose of monthly mentoring contact is to continue the mentoring relationship established at the 72-hour Indoctrination. It provides the recruiter with the time necessary to go over DEP PQS, verify DEPper's enlistment eligibility, conduct physical fitness training, and discuss referral prospecting.

- a. The number of mentoring contacts will vary based on the needs of the DEPper, but shall be no less than once per month. If at all possible, the monthly mentoring contact should not be held in conjunction with the monthly DEP Meeting.

b. The initial mentoring contact shall take place at least one week after the 72-Hour Indoctrination.

c. During the initial Mentoring contact complete the DEP Recertification. Reemphasize the Navy's Core Values and Drug Abuse Policy. Initiate NIDT Drug Abuse Training modules to be completed by the DEPper within one week.

d. Document all mentoring contacts in R-Tools.

020106. DEP MEETING. DEP meetings are team building exercises and promote unit cohesion. Muster Reports will gauge the cohesiveness and effectiveness of individual NRS DEP pools. DEP Meetings are designed to prepare the DEPper for RTC and produce referrals. Attendance should be 80% or better. Each Recruiter and DEPper shall be addressed by their military title at all times. The beginning of each meeting should start with a reciting of the Sailor's Creed. The RinC shall:

a. Prepare a annual DEP meeting schedule and submit to DEP Coordinator via chain of command to solicit attendance from the COC and other headquarters' staff.

b. Hold a DEP Meeting at least once per month.

c. Ensure each DEPper signs the DEP Meeting Muster Report (Record of Delayed Entry Program (DEP) Meeting/DEP FLEX EVENT).

d. Schedule Flex-DEP events for DEPpers who are unable to attend the regularly scheduled DEP Meeting. See Article 020107.

e. Encourage DEPpers to invite friends, family and referrals to the DEP event. All referrals shall be documented and tracked in R-Tools.

020107. FLEX-DEP EVENTS. The RinC will ensure a Flex-DEP event is scheduled for DEPpers who are unable to attend the regularly scheduled DEP Meeting. The Flex-DEP event does not need to cover everything presented in the regularly scheduled DEP Meeting, but should include a summary of items discussed, presentation of any awards, and a motivational talk. Every attempt should be made to conduct a Flex-DEP as a group. Only as a last resort should the Flex-DEP event be conducted one-on-one with DEPper's who were unable to attend the regular DEP Meeting. Muster Reports for each individual Flex-DEP Event will be attached to the DEP Muster Report for the regular DEP Meeting to satisfy the monthly DEP meeting requirement. DEP Meetings/Multiple Flex-DEP events will not be reported on a single Muster Report.

020108. DEP PERSONNEL QUALIFICATION STANDARDS (DEP PQS). The DEP PQS is a self-paced program that should increase the DEPper's familiarity with the Navy. There are two phases to the program: the training phase and the sign-off phase. During the training phase, DEPpers learn fundamental information about the Navy.

During the sign off phase, the DEPper must demonstrate a satisfactory level of knowledge. DEP PQS is to be routed through the chain of command as soon as it has been completed and no later than 10 days prior to ship date for entry into the DEPper's service record.

a. The RinC shall establish and maintain a DEP PQS Tracking Sheet (Exhibit 020102), and post it in a highly visible area.

b. The Recruiter shall work with the DEPper to ensure they understand PQS topics and will sign off those line items that the DEPper demonstrated a satisfactory level of knowledge.

020109. PHYSICAL PREPARATION. DEPpers must be physically prepared for the rigors of recruit training. Too much training time is lost because prospective Sailors arrive at RTC without the minimum level of strength and endurance. The answer is a conscientious pursuit of IFA standards and successful completion of this test prior to shipping. Placing a greater emphasis on this program will result in improving the physical status of those who need it most.

a. DEPpers should be advised of the Navy's physical readiness program and the height/weight or body fat standards.

b. DEPpers for whom weight maintenance tends to be a problem must be encouraged to adopt a healthy lifestyle including an exercise plan and a healthy eating program. DEPpers who do not meet height/weight or body fat standards as outlined in this instruction cannot be shipped to recruit training.

Note: Recruiters are discouraged from promoting specific diet plans to DEPper's to reduce the possibility of the Navy becoming liable for any ill effects suffered by DEPper's in response to various diet plans. DEPper's should be encouraged to seek the advice of health care professionals.

c. Each DEPper must successfully pass the appropriate fitness assessment (IFA, PST) requirements as outlined in this instruction. DEPpers who fail to pass the appropriate assessment will be re-classified or not be shipped to recruit training.

020110. ACTIVITIES. Any activities that present the real possibility of serious injury should not be undertaken. It is important to remember they are not Sailors yet and special care should be taken to prevent even the slightest possibility of injury. Unfortunately, in the course of normal events, freak accidents will occur. The proper circumstances for DEPper activities are those where the extent of injury sustained during "normal" mishaps does not have the potential to be serious.

020111. GOVERNMENT LIABILITY FOR PERSONAL INJURY TO DEPPERS. Government liability for personal injury to DEPpers, especially while they are attending

DEP meetings and other DEP events, is explained in the Hold Harmless Agreement and Release from liability.

020112. INITIAL FITNESS ASSESSMENT (IFA). All DEPpers, with the exception of those in the NAVY Challenge Program, requiring recruit training must pass the IFA within 45 days of shipping. Completion shall be documented in R-Tools.

Note: Do not administer the IFA to any individual enlisted under the Delayed Enlistment Medical (DEM) program until the waiver is approved, the applicant is cleared by Medical and the PRIDE record is updated.

a. Applicants must meet or exceed the following age and gender based IFA requirements within 45 days of shipping:

17-19 Male		17-19 Female	
Sit-ups	50	Sit-ups	50
Push-ups	42	Push-ups	19
1.5 Mile Run	12:30	1.5 Mile Run	15:00

b. Recruiting personnel administering the IFA shall provide the results to the DEPper and discuss physical fitness requirements at Recruit Training Command.

c. Due to seasonal weather conditions, the run portion of the IFA can be administered on a treadmill upon approval of the NAVCRUITDIST CO.

d. Family members and friends of DEPpers are prohibited from participating in the IFA.

e. The IFA shall be witnessed by the recruiter and the Recruiter-in-Charge (RinC) must approve all results. A NAVPERS 1070/613 shall be generated to document IFA results and will be signed by the Commanding Officer or individuals delegated in writing, to sign "By direction."

f. An Operational Risk Management (ORM) analysis shall be completed at least 24-hours prior to the IFA. The ORM process should use the “what if” tool and must include all aspects of the scheduled IFA, from individual’s medical and physical condition, current medications, to terrain, weather, back-up emergency communications, etc.

(1) Steps shall be taken to ensure all known risks are eliminated to the maximum extent possible. Controls shall be put in place to reduce, to an acceptable level, any risks still existing. It is recommended that the ORM process be documented, and the appropriate level of authority within the chain of command be given the opportunity to make risk decisions.

(2) Guidelines on conducting a successful ORM analysis can be found in OPNAVINST 3500.39 and on COMNAVSAFECEN website: <http://www.safetycenter.navy.mil>. Additional useful guidelines regarding physical exercise can be found at the following website: <http://www.mwr.navy.mil>.

(3) Recruiting personnel must verify the possession of a signed Hold Harmless Agreement and Release from liability maintained in each DEPper’s DEP Training Folder. DEPpers must read and sign the Hold Harmless Agreement Certificate, prior to participating in the IFA or any DEP physical training or sports event.

g. Recruiting personnel shall prepare a NAVPERS 1070/613 to document completion of the IFA and place it in the DEPper’s service record with a copy to the DEP Residual File. The NAVPERS 1070/613 shall be signed by the commanding officer or individuals delegated, in writing, to sign “By direction.”

020114. SCREENING THE POOL. Screening the DEP must be continuous, both for previously disclosed information as well as any new situation or disqualifying information that might arise while the DEPper is waiting to go to RTC. The DEP program is designed to provide continual contact between the DEPper and recruiter for a variety of reasons. There is no more glaring indictment of a recruiter's or RinC's failure to carry out this responsibility than a previously undisclosed problem immediately preceding ship day. Any difficulties that might prevent a DEPper from shipping should be surfaced and confronted immediately, so that the command has an accurate picture of the requirements needed to make shipping.

020115. DEP ACTION REQUEST (DAR). A DAR is used to notify the chain of command of any changes in DEPpers status, regardless of how insignificant.

a. The individual identifying the need for a DAR will immediately notify the RinC. The RinC will immediately submit a DAR, by fax, via the chain of command, and fax a copy to the DEP Coordinator. Once required supporting documents, if needed, are collected forward the original DAR and supporting documents via the chain of command

b. Each member of the chain of command will act quickly on each DAR. In cases where a disposition cannot be recommended within two working days, indicate the status and plan of action in the comments section and forward without final disposition.

020116. DEP RECERTIFICATION. The objective of DEP Recertification, Exhibit 020107, is early identification of issues that impact enlistment eligibility. It is crucial that every effort must be made to ensure this process is meaningful and relevant. Apathy in the implementation of this process will result in the increased DEP attrition. For example, a DEPper comes into the NAVCRUITSTA 3 times every week and is required to complete a recertification each time. This overuse will result in the process becoming irrelevant and the DEPper indifferent to the seriousness and consequence of failing to report accurate information. If concerns are discovered during the recertification, the recruiter must notify the RinC immediately. The RinC will personally conduct the recertification at 30 days and 7 days prior to ship date and retain all DEP Recertification forms in the DEPper's training jacket until graduation from RTC. DEP Recertification shall be conducted:

a. 30 days and 7 days prior to ship date

b. Every DEP Meeting

c. Monthly Mentoring Contact

d. DEP Custody Turnover

e. Whenever the ZS/RinC feels there is a need to recertify the DEPper due to increased trends in the disclosure of problems/issues from the DEP

Note: Verification of “Will Grad” status shall be conducted at the end of each scholastic grading period. A copy of the document shall be retained in the DEP Training Folder and documented in R-Tools. Zone Supervisors shall sign and date each individual “Will Grad” document during the station visit after the grading period. Recruiters should contact their assigned school's officials well in advance of the reporting period and schedule a date for picking up the most recent EDVER.

020117. DEP AUDITS. The NAVCRUITDIST DEP Program will be continuously monitored for effectiveness. Periodic snapshot monitoring of the program will ensure the program is maintained in a high state of readiness, and identify necessary training areas or leadership deficiencies.

a. When conducting a DEP Audit, an examination of the processes is required. Knowing where the problems lie is invaluable for resolution. Resolving the process failure(s) causing the problem is mandatory.

b. DEP Audits are to be conducted by the Zone Supervisor whenever there is a sign of excessive losses or excessive problems in the DEP Pool (in month or out month), and when a turnover of Recruiter, RinC, and Zone Supervisor occurs.

c. Zone Supervisors will conduct DEP audits face to face with all DEPpers and complete a DEP Recertification. The results of each interview will be documented in RTOOLS and on the DEP Recertification. A Dep Action Request (DAR) will be completed and forwarded via the chain of command for any relevant problems discovered.

d. The guidance to determine excessive loss is at the discretion of the NAVCRUITREG Commander and NAVCRUITDIST Commanding Officer.

e. Results shall be retained for two years and forwarded to the commanding officer via the chain of command.

020118. DEP TURNOVER. A full DEP inspection of the DEP Program, including face-to-face interviews with each DEPper, shall be conducted as part of the RinC Turnover. All turnovers and audits shall be maintained at the NAVCRUITSTA for two years.

020119. DEP CUSTODY TURNOVER LETTER . (Exhibit 020104). The RinC shall ensure a face-to-face DEPper turnover occurs between the DEPper and recruiter in each case where custody of the DEPper must be transferred to a different recruiter and that a letter is sent to the DEPpers parents/spouse notifying them of the change of recruiter (Exhibit 020105). Turnover shall occur within 30-days of recruiter transfer. In the event the outgoing recruiter is not available to affect the custody transfer, the RinC shall conduct the transfer for the recruiter. The DEP Custody Turnover Letter shall be utilized to document the turnover. Maintain a copy of the DEP Custody Turnover Letter in the DEP Training Folder and document on the R-Tools record. Forward the original to the EPO via the Chain of Command.

020120. DEP EXECUTIVE SCREENS. The purpose of the DEP Executive Screen, (Exhibit 020106), is to measure DEP Program effectiveness, confirm that the DEPper is motivated about his/her decision to join the Navy, and verify that the DEPper is still eligible for enlistment and their rating/program and is ready to ship.

a. At a minimum, the CO, XO, CMC, EPO, CR and ACR will conduct at least 10 Executive Screens per month on DEPpers scheduled to ship two or more months out (second out-month and later).

b. Results of Executive Screens will be briefed to the commanding officer by the EPO. Any issues identified may warrant further action.

020121. DEP-OUT BRIEFING PRIOR TO SHIPPING TO RTC. This briefing shall be conducted by the RinC and Recruiter on the seven-day recertification and reiterated 24-hours prior to ship date. It includes, but is not limited to, the following:

a. Review the contents of the DEP Training Folder with the DEPper.

b. Validate the DEPper's Referral Tracking Sheet.

c. Review the DEPper's PQS and ensure a NAVPERS 1070/613 is prepared if all requirements have been completed. The NAVPERS 1070/613 can be delegated to other personnel as directed by the commanding officer.

d. Ensure that the DEPper is informed of all items that are authorized at RTC. They must be made aware that cigarettes, cigars, pipes, tobacco, and chewing tobacco are prohibited items while at recruit training.

e. Answer any last minute questions the DEPper may have before shipping.

020122. ATTRITION ANALYSIS. The primary purpose of attrition analysis is to identify the trends associated with attrition in order to develop a plan of action for minimal impact on mission success.

a. The EPO will conduct a monthly analysis of DEP and RTC attrition, and forward results along with recommended corrective actions to the commanding officer for review and approval.

b. The commanding officer should ensure corrective action is taken on Zones or a NAVCRUITSTA that has excessive in-month attrition, excessive requests for rollouts, or abnormally high RTC attrition.

020123. NON-INSTRUMENT DRUG TEST(NIDT). The NIDT instruction, (COMNAVCRUITCOMINST 1130.9) see the Recruiting Quarterdeck at <https://rq.COMNAVCRUITCOM.navy.mil>.

Mr. and Mrs. (Parents Last Name)
(Address)
(City, State, Zip Code)

Dear Mr. and Mrs. (Parents/Spouse Last Name):

My name is _____ (Insert Recruiters Name) I recently took over the duties as Navy Recruiter for your (Spouse/Son/Daughter), (Insert DEPpers Name). It is my responsibility to ensure that they are trained and fully prepared to enter onto active duty.

The turning over of an important duty in the Navy is known as "relieving the watch." This is one of our time-honored traditions and with it comes both responsibility and authority. When the new or oncoming watch stander reports for duty, they state, "I am ready to relieve you" to the Sailor on duty. The two individuals then discuss the current situation and any pertinent information or instructions. When the oncoming watch stander is ready to take over, he or she declares, "I relieve you." This transfers all responsibility for the watch to the oncoming Sailor.

By taking over as your (Spouse/Son/Daughter's) recruiter, I now "have the watch." I am responsible for doing everything I can to ensure that he/she is prepared for boot camp and ready to travel to Recruit Training Command. I will do all that I can to ensure that they are ready to join the Fleet. I am now the Sailor that you can turn to if you have any questions regarding the Navy and your (spouse/son/daughter's) new direction in life.

I look forward to meeting you soon. If you have any questions or concerns, please contact me at (Insert phone number) or by email (Insert email address). Have a great Navy day!

Sincerely,

CHAPTER 3

RECRUITING REFERRAL RECOGNITION PROGRAM

030101. DISCUSSION

a. Referrals from non-recruiters are an invaluable source of both officer and enlisted contracts. The Recruiting Referral Recognition Program is designed to reward these individuals for their efforts. Referral recognition awards are authorized for recipients in three categories:

(1) Navy Delayed Entry Program Personnel (DEPpers). For purposes of this program, individuals are considered Navy DEPpers from the time they contract until they report to their first permanent duty station.

(2) Military. Any Active or Reserve Component member of the United States Armed Forces, except members in the Individual Ready Reserve (IRR) or Delayed Entry Program (DEP).

(3) Civilians. This category includes federal service employees as well as persons in the IRR and those with no military or federal government association.

b. Awards for military and civilian categories are specified in COMNAVCRUITCOMINST 5305.1.

030102. ELIGIBILITY REQUIREMENTS FOR DEP PERSONNEL

a. DEPpers may qualify for recognition if, during a rolling 12-month period, they refer the required number of applicants to a Navy recruiter who contract into a USN or USNR enlisted or officer program.

(1) Qualified Referrals. To be considered a qualified referral, the individual must not have been previously interviewed or processed by a Navy recruiter within the last four months. Any person listed on any Navy recruiter's applicant log within the previous four months is ineligible for referral status unless the individual was a referral from the same source when originally interviewed. Any non-referred applicant who previously processed for the Navy, but was found temporarily disqualified for any reason, does not qualify as a new referral unless 365 days have elapsed since the date of previous processing.

Note: Referrals can only be credited to one referring source, meaning that two or more individuals cannot receive referral credit for the same referred person.

b. Awards for Enlisted DEP Personnel

Eligibility Criteria	Awards	Awarding Authority
1 Enlisted Contract (non-NF or non-NSO/NSW)	Letter of Appreciation	NAVCRUITDIST
1 Enlisted NF or NSO/NSW Contract	Advancement to E-2, Certificate of Promotion and CO LOC	NAVCRUITDIST
1 Officer Accession	Advancement to E-2, Certificate of Promotion and CO LOC	NAVCRUITDIST
2 Enlisted Contracts (non-NF or non-NSO/NSW)	Advancement to E-2, Certificate of Promotion and CO LOC	NAVCRUITDIST
2 Enlisted NF or NSO/NSW Contracts	Advancement to E-3, Certificate of Promotion and Flag Letter of Commendation	NAVCRUITDIST/ COMNAVCRUITCOM
2 Officer Accessions	Advancement to E-3, Certificate of Promotion and Flag Letter of Commendation	NAVCRUITDIST/ COMNAVCRUITCOM
4 Enlisted Contracts	Advancement to E-3, Certificate of Promotion and Flag Letter of Commendation	NAVCRUITDIST/ COMNAVCRUITCOM

Note: DEPpers can continue to provide and earn awards for referrals until they report to their first permanent duty station, provided the individuals referred contract before the Depper arrives at their first permanent duty station. In such cases, the NAVCRUITDIST Commanding Officer will forward a NAVPERS 1070/613, Administrative Remarks, with appropriate recommendations and signature, to the member's current or next duty station.

CHAPTER 4**NAVY LIAISON DELAYED ENTRY PROGRAM ADMINISTRATION****SECTION 1****POLICIES AND PROCEDURES****040101. PROGRAM INFORMATION**

a. **Definition.** Delayed entry is the military status gained by an enlistment in which a service member's entry on active duty (ACDU) or initial active duty for training (IADT) is postponed for up to one year. Members in a delayed entry status incur a military service obligation (MSO). Time spent in a delay status counts toward satisfying the MSO.

b. Types of Delayed Entry

(1) **Active Component Delayed Entry Program (DEP).** Persons who enlist in the Ready Reserve under Title 10 U.S.C. 513 for the express purpose of agreeing to a subsequent enlistment in a Regular Component of the Military Services (e.g., USN Programs) are in the DEP. Persons enlisted in DEP do not receive pay entry base date (PEBD) credit for time spent in DEP.

(2) **Reserve Component Delayed Entry into Training (DET).** Persons who enlist in the Ready Reserve under Title 10 U.S.C. 513 (e.g., Two Year Enlistment (2YO), Three Year Enlistment (3YO), and Full Time Support Enlistment (FTS) Programs) do not receive PEBD credit for time spent in DET. Persons who enlist in the Ready Reserve under Title 10 U.S.C. 12103(b), for example in the New Accession Training (NAT) Program, may receive PEBD credit if they are required to attend Reserve drills while in DET.

c. Participation

(1) Persons in DET for Reserve Component active duty programs (3YO, FTS) and in DEP for Regular component active duty programs (USN) are in Ready Reserve Category "L" which is an Individual Ready Reserve (IRR) Category. There are no Reserve participation requirements for Category "L" reservists during the period of delay. Members in this category should be **urged** to aid in recruitment and **invited** to attend meetings with their recruiters on occasional weekends. DEP/DET members cannot be required to attend meetings or functions during their period of delay. Voluntary participation avoids potential liability conflicts if illness or accident were to occur during the course of a DEP/DET event or during travel related to that event.

(2) Persons in DET for Reserve component inactive duty programs (NAT) may be in Ready Reserve Category "L" or Selected Reserve Category "P". Category "P"

personnel may be required to attend Reserve drills while in a delay status with some of the drills being paid, and some without pay.

d. **DEP or DET Limits.** The Assistant Secretary of Defense (Manpower and Reserve Affairs) authorized all Services to enlist volunteers in DEP/DET to a maximum of 730 days. The Chief of Naval Operations (CNO) issues annual recruiting goals and policies which set maximum DEP/DET length limits less than 730 days. COMNAVCRUITCOM issues such limits in enlisted recruiting goals and policies notices, which are further issued as operational directives.

040102. TERM OF ENLISTMENT. Enlistment of non-prior service (NPS) applicants in the U. S. Navy Reserve is effective for a period of eight years. Enlistment of prior service applicants in the U. S. Navy Reserve will be for whichever is the greater number of years between the balance of their original six or eight year MSO, or for the number of years required by the program in which the USN enlistment is being made plus DEP/DER time. Subsequent discharge from DEP/DER and enlistment USN is for the period of years required for the program in which the USN enlistment is being made.

040103. EXTENSION OF DEP BEYOND 365 DAYS

a. **Extensions.** As authorized in Title 10 USC, Section 513 and CNO (N13) Policy Decision Memorandum 02-22-98. COMNAVCRUITCOM (N3) may authorize DEP extension in the DEP Program beyond 365 days. Extensions may be considered only in cases where the DEP member cannot meet all requirements to access onto active duty prior to the 365th day. Extensions are granted on a case-by-case basis and for the minimum appropriate period, normally not to exceed 30 days. Authority to grant DEP extensions may not be delegated below the level of COMNAVCRUITCOM.

(1) 11S applicants joining in May, June, or July may be placed in DEP for up to 15 months. Once a ship date is established in PRIDE no other extensions past 365 days of the original DEP date are authorized without an exception to policy.

b. **Requests.** Authorization Control Numbers are available for extensions of DEP beyond 365 days by submitting an Exception to Policy Request Form NAVCRUIT 1133/103 to COMNAVCRUITCOM (N35). Include information concerning applicant's name, social security number, length of extension required, and extenuating circumstance necessitating the extension.

c. **Documentation.** In all cases where an extension of DEP beyond 365 days has been authorized, DD Form 1966 page 3 remarks entries and service record Administrative Remarks NAVPERS 1070/613 must be made to document the reason for the extension and cite the COMNAVCRUITCOM authorization control number.

040104. CHANGE IN ENLISTMENT OR PROGRAM ELIGIBILITY NOT REQUIRING SEPARATION

a. **Eligibility Changes.** Any change in eligibility for enlistment is viewed from a waiver standpoint. Changes that are waivable by NAVCRUITDIST Commanding Officer, NAVCRUITREG, NAVCRUITCOM, or Chief of Naval Personnel are processed accordingly. Changes that render the applicant totally ineligible for enlistment require that the applicant be processed for discharge from DEP/DET per Article 040107.

b. **Marital or Dependency Changes.** Changes in marital/ dependency status while in DEP/DET that do not render the applicant ineligible for enlistment, must be reflected in the PRIDE system and the following documents, as indicated:

(1) *Dependency Application Record of Emergency Data* (NAVPERS 1070/602).

(2) *Record of Military Processing Armed Forces of the United States* (DD Form 1966).

(3) *Completed Enlistee Financial Statement* (NAVCRUIT 1130/13) (required).

(4) Copy of marriage certificate, if applicable.

(5) Copy of divorce decree, if applicable.

(6) Copy of birth certificate(s), if applicable.

c. **Program Eligibility.** After being enlisted in DEP/DET, a member must continue to meet all qualifications for the program in which he/she is enlisted in order to remain in DEP or DET. A member who becomes disqualified for the program in which enlisted, must be reclassified into a different program, or be administratively separated from DEP or DET if no longer enlistment eligible or unwilling to accept an alternate program.

040105. DEP ORDERS TO INACTIVE DUTY. MEPS personnel prepare and issue orders assigning DEP enlistees to inactive duty the same day the DEP enlistment is made at a MEPS. NAVCRUITDIST personnel prepare inactive duty orders when DEP enlistment is made at an activity other than MEPS. As stated in Volume III, a copy of DD Form 4 serves as DEP orders for enlistees scheduled to enter a Regular component program. DEP orders for enlistees awaiting start of active duty in a Reserve component program are prepared under the format shown in Volume III.

040106. POLICIES AND STANDARDS FOR ADMINISTRATIVE SEPARATION OF DEP/DET PERSONNEL

a. NAVCRUITDIST Commanding Officers may administratively separate (discharge) a member from DEP for the purpose of immediate enlistment or reenlistment in the Regular Navy. Neither a NAVPERS 1070/613 (Administrative Separation from Delayed

Entry) nor a notification letter is required. Additionally, a waiver is not required following administrative separation solely for the purpose of immediate enlistment or reenlistment in the Regular component.

b. Procedures for making program changes for persons in DEP/DET without an administrative separation are provided in Article 040104. Use them as the standard method. However, some situations such as transfers between an USN and an USNR program require an administrative separation. In such cases, NAVCRUITDIST Commanding Officers may administratively separate (discharge) a member from DEP/DET followed by immediate enlistment or reenlistment to implement a change of enlistment programs. Complete NAVPERS 1070/613 (Administrative Separation from Delayed Entry), using the optional entries pertinent to this type of transaction. A notification letter and a waiver are not required following administrative separation solely for the purpose of changing enlistment programs, although a waiver may be necessary in conjunction with eligibility requirements of the new program.

c. Commanding Officers are authorized to administratively separate (discharge) a member on inactive duty in DEP/DET if, before the start of ACDU or IADT, that member does not meet the qualifications for enlistment as prescribed by COMNAVCRUITCOM; or, the member undergoes a change in personal situation or attitude that justifies separation from DEP/DET. An administrative separation under this provision is an uncharacterized Entry Level Separation (ELS). A member who is being separated from DEP/DET for a reason other than basic enlistment eligibility disqualification, must be counseled concerning opportunities in the Navy Reserve. The reasons for enlistment ineligibility may include but are not limited to:

(1) Any police involvement while in DEP resulting in confinement, supervised and/or conditional probation, or parole requires a DEP discharge.

(2) Does not now meet dependency criteria.

(3) Does not now meet physical standards and an extension in DEP/DET is not possible because of having reached maximum DEP/DET time limit or additional DEP/DET time within authorized limits is not considered appropriate.

(4) Indebtedness to a degree that the individual is considered a financial risk.

(5) Individuals who, through their actions while in DEP or DET, demonstrate an attitude or personal traits that would indicate unacceptability for Naval Service (such as, apathy or hostility). Changes in attitude that might prove to be detrimental to success of an individual in the Navy, as well as a burden on the Navy itself, are difficult to assess in purely quantitative means. This type of decision requires command judgment based on personal counseling of the DEP/DET member.

(6) Unfavorable ENTNAC or NACLC investigation or unfavorable Police Record Check information subsequent to DEP or DET enlistment. A written report to Defense Security Service (DSS) is required for discharges in this category.

(7) DEP/DET member becomes disqualified for the enlistment program for any reason (medical, moral, failure to graduate from high school, etc.) and declines alternate program for which qualified.

(8) DEP member for USN/USNR program refuses to access onto active duty as scheduled.

(9) DEP or DET member becomes unlocatable.

(10) DEP or DET member wants to pursue a four-year college education.

(11) Concealment of prior service.

(12) Personal hardship.

(13) Religious training or appointment as an ordained minister.

(14) Enlisted in another service.

(15) Recruiting error.

(16) Enlistment misunderstanding.

(17) Presence of HIV (AIDS) antibody in blood detected by MEPS physical.

(18) Parental consent is withdrawn for a 17-year-old DEP or DET member.

(19) Positive results on the MEPS Drug and Alcohol Test (DAT).

Note 1: Threatening DEP member with possible disciplinary actions for failing to enlist or coercing DEP members to fulfill their contractual obligations is inconsistent with the concept of the all-volunteer force (AVF). If a member of DEP refuses to ship, recruiters **will not** address the issue of possible disciplinary consequences for failure to report to active duty, nor will the DEP member be told that it is Navy policy to order or force an unwilling member to recruit training or to any other form of active or reserve duty.

Note 2: Recruiters must inform their Zone Supervisor (Z/S) **immediately** whenever a DEP member is either unable or expresses intent of not fulfilling their contractual obligation for any reason. Once notified, the Z/S has up to **48-hours** to make contact with the DEP member to affirm the individual's desires, attempt to re-motivate (in a professional manner-**free of coercion or intimidation**), and notify the command of recommended action to satisfy the DEP member's desires. When DEP discharge is

recommended, the CO may direct the immediate administrative separation of the member from DEP. **The timeline from recruiting personnel notifying the Z/S to the Commanding Officer's direction to DEP discharge a DEP member shall not exceed 72-hours.** A DEP Action Request (DAR), documenting DEP discharge must be placed in the member's residual file.

Note 3: Recruiting personnel will exercise sound judgement in their dealings and actions with DEP members declining enlistment to prevent them from feeling intimidated or coerced. This includes directing DEP members to travel beyond their hometown to facilitate a face-to-face meeting with recruiting supervisors for the purpose of discussing their reason(s) for declining to access onto active duty.

d. Canceling Personalized Recruiting for Immediate and Delayed Enlistment (PRIDE) Reservations

(1) PRIDE reservations must be cancelled **as soon as it is documented** that an individual cannot meet the scheduled shipping cycle for the reservation currently held. This policy applies to situations where a DEP/DET member is being rescheduled for another reservation as well as in cases where the member is going to be administratively separated from DEP/DET. Holding a reservation is only necessary until the actual ship date when there is some doubt that a potential or expected applicant may meet the date. Such exceptions might include:

(a) A member who is unlocatable but may still return to fulfill the contract;

(b) A member who has an apparent disqualifying medical condition, but has not been permanently disqualified by the MEPS doctor or is undergoing private medical treatment to correct a disqualifying condition;

(c) A member who has taken action, legal or otherwise, to reverse a decision to discharge him/her from DEP or DET.

(2) The objective of canceling PRIDE reservations at the earliest opportunity is to make seats available for use in a time frame when they can be used rather than tie them up too late to provide reasonable opportunity for reassignment. In some situations, retaining the reservation may be necessary to preclude legal entanglements when an expected member has not reached the point where final disqualification factor(s) have been documented or when there is a prospect of counter discharge action on the part of the member.

(3) No precise guide addresses when to make an administrative separation for every case. The Commanding Officer, NAVCRUITDIST has DEP/DET discharge authority and must review the justification for discharge. The Commanding Officer cannot delegate DEP/DET discharge authority. The general rule is to discharge with minimum delay after reaching the decision for discharge. The reservation could be

cancelled immediately following the decision even if administrative paperwork is not completed.

040107. PROCEDURES FOR ADMINISTRATIVE SEPARATION OF DEP/DET PERSONNEL. NAVCRUITDIST COs will separate individuals under the following procedures:

a. Instructions Concerning Notification

(1) Deliver the NAVPERS 1070/613 (Administrative Separation from Delayed Entry) personally to the respondent or send by first class mail. Reasonable effort should be made to furnish a copy to the member through personal contact by a representative of the command (normally recruiter of record unless transferred, on leave, or otherwise unavailable).

(2) The notice must state the member was administratively separated and the reason for the action. That an Entry Level Separation is an administrative separation without characterization of service.

b. Service Record Remarks. On NAVPERS 1070/613 Administrative Remarks enter

(1) The reason for separation,

(2) That the individual is not recommended for reenlistment because of the reason for discharge,

(3) The length of time spent in DEP/DET,

(4) That the individual shall not reenlist without NAVCRUITDIST CO approval, (see NAVPERS 1070/613 (Administrative Separation from Delayed Entry) for sample NAVPERS 1070/613 entry).

This NAVPERS 1070/613 serves as a separation document in the case of personnel administratively separated from DEP/DET. Distribute copies as follows:

- Original and 2nd copy - DEP/DET member's service record.
- 1st copy - DEP/DET member being separated.
- 3rd copy - NAVCRUITDIST residual file.
- 4th copy - To MEPS, to be filed in examination records folder

c. Caution. Do not use the *Certificate of Release or Discharge from Active Duty* (DD Form 214) or reenlistment recommendation codes (RE-codes) in conjunction with an administrative separation from DEP/DET.

d. **MEPS Notice.** Notify Military Entrance Processing Station (MEPS) Liaison Petty Officer of administrative separation date and reason for separation using the following codes:

Reason for Discharge	Code

Medical Disqualification-Non/EPTS	ZAB

e. **Records.** Forward the closed service records of members who are separated from DEP/DET to the Chief of Naval Personnel (Pers-313C). Only the originals of DD Form 1966, the Enlistment/Reenlistment Document (DD Form 4), NAVCRUIT Annexes, NAVPERS 1070/613 Annexes, and the NAVPERS 1070/613 containing the separation entry shall be retained in the U. S. Navy Enlisted Service Record (NAVPERS 1070/600). The service record folder shall be appropriately marked on the outside corner, ADMINISTRATIVE SEPARATION DEP/DET. The original examination records (i.e., Report of Medical Examination (DD Form 2808), Report of Medical History (DD Form 2807-1), and USMEPCOM Form 680-A-ADP are to be returned to MEPS. The complete residual file will be maintained for a period of two years.

f. Administrative Separation from Delayed Entry (Administrative Remarks, NAVPERS 1070/613) is **not** an annex to DD Form 4 and must be prepared under Article 040107. Signature of Commanding Officer is authorized by direction authority.

040108. SEPARATION OF ENLISTED PERSONNEL AFTER THE SWEARING-IN CEREMONY. When an erroneous, fraudulent, or void enlistment for failure to execute orders to recruit training is detected after the swearing-in ceremony at the Military Entrance Processing Station (MEPS) or prior to the member reporting to recruit training, take the following action:

a. The MEPS commander revokes any travel order issued assigning the individual to recruit training or other assigned command, and issues an order assigning the individual to the sponsoring NAVCRUITDIST for appropriate Entry Level Separation (ELS) or discharge processing.

b. The Commanding Officer, NAVCRUITDIST notifies the individual of the erroneous, fraudulent, or void enlistment, and executes an administrative separation. The (NAVPERS 1070/613) Administrative Separation for Failure to Ship to RTC shall be completed, and a copy provided to the individual. The NAVCRUITDIST shall inform MEPS of the individual's administrative separation when completed.

c. The NAVCRUITDIST CO shall ensure the individual's PRIDE record is changed to reflect "unconfirmed" and cancel the individual's reservation for failure to ship to RTC.

040109. ENLISTEES UNABLE TO GO TO RECRUIT TRAINING FOR MEDICAL REASONS. The following procedures apply when an enlistee who has entered on active duty at a MEPS subsequently is unable to transfer to recruit training for medical reasons.

a. Before shipping, the new service member is briefed on what to do in case of a medical emergency. This briefing includes who to contact in an emergency, so that the Navy can ensure the new member receives quality medical care and the member's family is promptly notified and kept up to date on the member's condition.

b. If an enlisted member incurs a medical emergency or incapacitation after the swearing-in ceremony at the MEPS, take the following action:

(1) If the illness or medical problem can be resolved within 24 hours and does not require hospitalization, the MEPS Commander informs the appropriate Commanding Officer, NAVCRUITDIST, modifies the member's original orders, and transfers the individual to the Recruit Training Command.

(2) If the illness or medical problem cannot be resolved within 24 hours and does require hospitalization, the MEPS Commander revokes any travel orders issued assigning the individual to recruit training and informs the appropriate Commanding Officer, NAVCRUITDIST of the medical emergency/problem.

(3) If the illness requires hospitalization, the MEPS Commander notifies the appropriate Commanding Officer, NAVCRUITDIST and issues orders transferring the member to the responsible Navy Recruiting District. The Commanding Officer, NAVCRUITDIST is responsible for ensuring that the applicant is medically provided for until the applicant arrives at the Recruit Training Command. To do this, the CO:

(a) Notifies the Geographic Medical Command (Officer of Medical Affairs) having responsibility for the area in which the member is hospitalized.

Note: Geographic Medical Command phone numbers and their areas of responsibility are provided in COMNAVMEDCOMINST 6320.3.

(b) Submits the necessary personnel casualty report per MILPERSMAN Article 1770-010.

(c) Ensures that Recruit Training Command is contacted.

(d) Coordinates with supporting PSD, to ensure member's pay record is established and that orders will be available upon release from the hospital.

(4) The Geographic Medical Command:

(a) Designates the Naval Medical Facility (NMF) responsible for the individual.

(b) Notifies all commands concerned of the patient's status.

(c) Directs disposition of the patient's service record.

c. Immediate notification to the Geographic Medical Command will ensure proper disposition of the hospitalized individual's records and ensures that proper monitoring of patient's condition is maintained by Navy Medical Authority. The Geographic Medical Command:

(1) Designates the Naval Medical Facility (NMF) responsible for the individual.

(2) Notifies all commands concerned of the patient's status.

(3) Directs disposition of the patient's service record.

040110. INJURY OR DEATH OF PERSONNEL IN DEP/DET

a. Injury or Illness

(1) Personnel in COMNAVCRUITCOM, DEP/DET are in Naval Reserve Category "L" which is non-pay, non-participating, Individual Ready Reserve (IRR). Since Navy DEP/DET members in this category are not performing inactive duty training (drills) or

active duty for training, they are not entitled to medical or dental care under NAVMEDCOMINST 6320.3, because they are not in a duty status.

(2) DEP/DET members who suffer injury or acute illness while awaiting or undergoing processing at Navy and Marine Corps facilities or MEPS may be furnished emergency hospitalization for that injury or illness under NAVMEDCOMINST 6320.3, which covers applicants for enlistment or reenlistment in the Armed Forces, and applicants for enlistment in the Reserve components.

(3) Per NAVMEDCOMINST 6320.3, DEP/DET members injured while participating in supervised DEP/DET physical exercise programs, including the Initial Fitness Assessment (IFA), Physical Readiness Test (PRT) and Physical Screening Test (PST), may use naval medical and dental facilities when granted Secretary of the Navy designee status. These members may not be authorized to use civilian health care under the TRICARE program. Requests for consideration as a potential designee shall be submitted to Chief, Bureau of Medicine and Surgery (MED 311) via Commander, Navy Recruiting Command (N32). Include sufficient information concerning the injury and the circumstance under which the injury occurred to show cause for approval. The Secretary's discretionary authority is exercised most conservatively; favorable action is usually taken on requests involving instances wherein the treatment is in the best interest of the patient, the Navy, and the government. The mere need of medical care alone will not support approval of such a request.

(4) A DEP/DET member who becomes permanently, non-physically qualified as a result of such injury or illness must be administratively separated from DEP/DET as not eligible for active duty. If a DEP/DET member is only temporarily non-physically qualified for active duty with a definite expected date of being fully qualified, then the individual may be retained in DEP/DET and can be scheduled for a new shipping date as long as DEP/DET length limits will not be exceeded.

(5) If there is enough doubt concerning the recovery of an injured or ill DEP/DET member to full physical eligibility, the person shall be separated from DEP/DET with the prospects of reentry into DEP/DET when the individual's condition warrants. This procedure will avoid holding reservations based on questionable availability of the enlistee.

b. **Death.** When a DEP/DET member dies, the CO, NAVCRUITDIST must send, a report of death in letter form and the DEP/DET service record to Chief of Naval Personnel (Pers-66) with copies of the letter to COMNAVCRUITCOM (N32) and Area Commander. Include all pertinent information obtainable, such as full name, rate, SSN, date, place, and cause of death, sources of information, and the name and address of next of kin, in this report. The service record must contain the originals only of DD Form 1966, DD Form 4, Annexes, and service record NAVPERS 1070/613 containing the separation entry (Reason death). Mark the service record folder appropriately on the outside cover, "DIED - DEP/DET." Prepare and send to the next of kin a letter of condolence from the Commanding Officer, NAVCRUITDIST. Notify the MEPS Liaison

Petty Officer as soon as possible to cancel PRIDE reservation. Persons who die while in DEP/DET are not eligible for death entitlements available to members who die while on active duty or while in a duty status.

SECTION 2

REENLISTMENT OF FORMER DEP/DET PERSONNEL

040201. REENLISTMENT OF FORMER DEP/DET PERSONNEL

a. **Criteria.** A person who has been administratively separated from DEP/DET (from any service) can be reenlisted in DEP/DET or directly accessed, provided the applicant currently meets all enlistment eligibility criteria and provided the reason for separation from DEP/DET is not a factor that will preclude reentry into the service. If the applicant's separation documents are not available; or if separation documents available are not explicit in describing the cause for separation; or if separation documents are not readily available; or if time is limited, use the following procedures: Telephone for the information, but record identity of persons and commands involved in the verbal transaction in the waiver statement signed by the Commanding Officer, NAVCRUITDIST.

DD Form 1966, Section VI, Remarks Waiver Approval Entry:

(Date): The following information was obtained telephonically between (Name of Persons and Commands involved in verbal Transaction): (Applicant's Name), (SSN) was Separated due to (Reason for Separation) on (Date of Separation) under separation authority (Separation Authority and Article Number) with (Number) of days in DEP/DET.

(Signature of Approving Authority)

b. **Prior Service.** Applicants whose last military status was in DEP/DET, and who were categorized as prior military service before the recent DEP/DET period, must be processed under the pertinent prior service guidance in Volume IV. Applicants whose only military affiliation was in DEP/DET (or who were classified as non-prior service before the recent DEP/DET), are to be processed under the pertinent non-prior service guidance contained in this manual. Such processing is subject to approval by the NAVCRUITDIST CO regarding the DEP/DET separation and is to be accomplished via a CO's enlistment eligibility determination. Such determination approval is to be documented on the DD Form 1966.

c. **MSO and PEBD Credit.** Administrative separation (discharge) from DEP/DET for immediate entry or reentry in the same or any other component of the military services, or for entry into an officer's training program in which the person remains a member of a military service, does **not** terminate the MSO, the maximum allowable time in DEP/DET, or PEBD eligibility in programs where PEBD credit is authorized. Individuals who are administratively separated (discharged) from DEP/DET for a cause other than immediate entry or reentry into military service will not receive credit towards MSO, if eligible, for time in delay status if they later reenlist in DET or as a direct accession.

Any future enlistment or appointment of such persons is treated as an original entry into military service and establishes a new start date for computing MSO and maximum allowable time in DEP. Former DEP time must be accounted for as a function of the process required to establish enlistment/reenlistment eligibility in cases where persons have been administratively separated for cause.

040202. PROCEDURES UPON ENLISTMENT USN

a. **Police Checks and Physical Exam.** New police record checks or a complete physical examination are not necessary unless there is a change in either civil involvement, physical condition, or more than 24 months has elapsed since date of initial complete physical examination. A new physical examination may also be given if deemed appropriate by the recruiting activity or MEPS.

b. **Review of Documents.** The DEP enlistee will be required to review DD Form 2807-1 immediately prior to enlistment USN.

040203. DELAYED ENTRY PROGRAM ENLISTMENTS AT OTHER THAN MEPS.

NAVCRUITDIST CO may authorize DEP/DET enlistments under this chapter, to be made at NAVCRUITDIST facilities or other facilities considered appropriate for an enlistment ceremony.

a. **Ceremony.** In all cases, enlistments will be made with the United States of America flag prominently placed. The enlistment oath is administered by a commissioned officer who, must indicate after signing, on DD Form 4, the grade, branch of service and capacity in which he or she is serving at the time of administering the oath.

b. **Physical Exam.** Enlistment will not be effected until the applicant has been determined to be physically qualified for enlistment by a MEPS-administered medical examination. Enlistments must be made within 72 hours of the physical examination or inspection.

c. **Eligibility Requirements.** Applicants enlisted DEP/DET under this paragraph must meet all enlistment eligibility requirements listed in Chapter 2 in addition to those qualifications listed in Volume IV (for NAVETs and OSVETs).

d. **Documents.** All other forms/documents in connection with a DEP/DET enlistment must be completed as required in Chapter 3.

e. **MEPS Date.** Necessary enlistment data input must be provided to MEPS in a timely manner, normally on the day of enlistment or within 24 hours. Use a copy of DD Form 1966 as the input document.

040204. MEPS PROCEDURES FOR HANDLING DISCHARGE FROM DEP OR DET OR FOR ENLISTMENT WITH ANOTHER SERVICE. If the MEPS is aware that an applicant is in the DEP/DET of one service and is processing for the DEP/DET or active enlistment of another service, MEPS will stop the processing until such time as the first service provides the proper documentation to MEPS indicating that the applicant has been discharged from their DEP/DET. In situations such as these, the MEPS will notify both service representatives concerned so that the matter can be resolved expeditiously.

040205. PROCEDURES TO CHANGE ENLISTMENT PROGRAMS BEFORE STARTING ACTIVE DUTY OR ACTIVE DUTY FOR TRAINING AND DEPARTURE FOR RTC.

a. **General Procedures.** Persons in DEP/DET may change enlistment programs provided the decision to do so is mutually agreed upon to be in the best interests of the applicant and the Navy, and provided the applicant is qualified for the desired program. Changes between Regular and Reserve component programs are made by an administrative separation followed by immediate reenlistment in DEP/DET for the new program. Program changes within the same Reserve or Regular component accession path can be made with appropriate administrative adjustments to the contract without resorting to administrative separation solely for the purpose of changing programs.

b. **Telephone Reclassifications**

(1) Keep telephonic reclassifications to an absolute minimum and use only as a last resort; however, there are occasions when it will be impossible or impractical for the recruiter to have the applicant at MEPS to see the classifier.

Example: The applicant is physically unable to go to the MEPS, the distance from the Navy Recruiting Station to the MEPS precludes the recruiter is taking the applicant to MEPS.

Note: The Enlisted Programs Officer (EPO) will approve on a case-by-case basis all telephonic reclassifications. For component changes USN to USNR or USNR to USN, the applicant must be present at MEPS; telephone interviews are **not** authorized.

(2) For all "roll-outs," the Commanding Officer, Executive Officer or the Enlisted Programs Officer (when the CO/XO are not present) decides whether or not an applicant will be rolled out. This rule applies whether or not the applicant is present at MEPS. A DEP Action Request (DAR) must be completed and placed in the DEPper's residual file.

(3) If approved, the EPO calls the Enlisted Processing Division Supervisor (EPDS) at MEPS giving the EPDS/classifier the approval to conduct a telephonic reclassification.

(4) The classifier calls the recruiter to set-up an appointment for the telephonic interview.

(5) The recruiter will have the applicant at the Navy Recruiting Station. The recruiter calls the classifier at MEPS, who conducts an interview with an applicant.

(6) If the applicant's program changes, the classifier will do the following:

(a) After obtaining a new reservation in the PRIDE System.

(b) Mark the old annex as follows:

(Date): Annex () is superseded by Annex ().

(Signature of Enlisting Officer)

(c) Prepare the new annex and update the appropriate sections of DD Form 1966. TeleFax the new annex to the Navy Recruiting Station.

(7) The recruiter will have the applicant read and sign the new annex. The recruiter will then telefax the signed annex to the classifier. The classifier places the telefaxed copy into the applicant's service record. Do not cancel original reservation without applicant's acknowledgement and consent. Ensure all newly signed annexes are received and correct prior to cancelling the old reservation.

(8) The applicant must go to MEPS and sign the new annex as soon as possible. If the applicant is unable to go to MEPS, the classifier provides the recruiter with the new annex for the applicant's signature. Once the applicant signs, the recruiter returns the annex to the MEPS for the classifier to file in the applicant's service record in place of the telefaxed copy.

(9) The MEPS Liaison Petty Officer must ensure that MEPS MIRS system has been updated. If the applicant has an USNR program, the MEPS Liaison Petty Officer ensures that MEPS receives the updated information to prepare an "amendment to Reserve orders."

(10) If the applicant has an USN program, DD Form 4, page 3, block 20a, must be updated to reflect the new annex (e.g., "Annex B replaces Annex A").

(11) In all cases, both the new and old annexes are retained in the applicant's service record and residual file.

(12) To ensure integrity of the DEP pool, the Commanding Officer and EPO should monitor the PRIDE ATRSEE Report to ensure that each applicant who has been "rolled out" was authorized.

(13) If the applicant's accession date is the only change, the classifier updates the applicable sections of DD Form 1966 with the new accession date information. The MEPS Liaison Petty Officer must ensure the MEPS MIRS system has been updated. If the applicant has an USNR program, the MEPS Liaison Petty Officer ensures that MEPS receives the updated information to prepare an "amendment to Reserve orders".

c. Changes between Regular and Reserve Components. The following procedures are applicable for changing enlistment programs between Regular and Reserve Component programs (such as, crossover between USN 4/5/6YO to a USNR A-M/FTS or vice versa):

(1) Obtain a PRIDE reservation for the new program and cancel the PRIDE reservation for the old program.

(2) Prepare a new page 1 of DD Form 1966. Place a copy of the old page 1 of DD Form 1966 in the residual file.

(3) In Item 33 check the applicable block 19 items that have changed.

(4) Mark old program annex(es) as cancelled and retain the residual. Sample entry:

(Date: Annex "A" cancelled due to a component change from an USN program to USNR program). (or visa versa)

Signature of Enlisting Officer

(5) Prepare a NAVPERS 1070/613 (Administrative Separation from Delayed Entry) and forward/coordinate with MEPS to clear the member from MIRS and to offset enlistments into the "new" Component.

(6) Reenlist the member in the "new" program with a new DD Form 4 and destroy the old DD Form 4.

(7) An administrative separation (discharge) for the purpose of immediate reenlistment does not constitute a break in DEP or DET service for MSO purposes; therefore, the total time prior to and after the discharge and immediate reenlistment counts towards satisfying the eight-year Military Service Obligation (MSO). Since DoD policy allows a maximum one-year of MSO to be completed in a delay status, the total DEP/DET time prior to and after discharge/immediate reenlistment cannot exceed 365 days. The original enlistment date in DEP or DET remains as the starting date for fulfilling MSO. Enter the following statement in the Remarks Section of DD Form 1966:

“Original enlistment date in the delayed entry/commencement date for fulfilling Military Service Obligation (MSO) is _____.”

d. **Changes Within Same Component Path.** The following procedures are applicable for changing enlistment programs within the **same** Reserve or Regular component accession path (such as, change from 4YO to 5YO USN enlistment; change from A-M ATP to A-M Class “A” School; change from FTS to A-M:

(1) The applicant must be present at MEPS for a face to face interview with the classifier.

(2) If the applicant’s program changes, the classifier will do the following:

(a) After obtaining a new reservation in the PRIDE System, cancel the old reservation.

(b) Mark the old annex as follows:

(Date): Annex () is superseded by Annex ().

(Signature of Enlisting Officer)

(c) Prepare the new annex and update the applicable sections of DD Form 1966. Ask the applicant to read and sign the new annex.

(3) The MEPS Liaison Petty Officer must ensure that MIRS has been updated. If the applicant has an USNR program, the MEPS Liaison Petty Officer ensures that MEPS receives the updated information to prepare an amendment to Reserve orders.

(4) If the applicant has a USN program, DD Form 4, page 3, block 20a, must be updated to reflect the new annex (i.e., Annex B replaces Annex A).

(5) In all cases, both the new and old annexes must be retained in the applicant’s service record and residual file.

(6) To ensure the integrity of the DEP pool, the Commanding Officer and EPO should monitor the PRIDE ATRSEE Report to ensure that each applicant who has been rolled out was authorized.

CHAPTER 5

AFTER THE SALE

050101. APPLICANT BRIEFING. Recruiting personnel must brief all applicants for enlistment on Navy life, especially what they can expect during the early recruit training phases. In addition, recruiters shall show all applicants the films *Recruit Training – The Beginning*, *Zero Tolerance*, *Drug Testing in Navy Boot Camp*, and *Mutual Respect*. These are excellent aids for conditions to be expected during the early training phases.

a. Reenlistees. Recruiters shall also show the film *Zero Tolerance* to prior service applicants before reenlistments. This film, approximately six minutes in length, provides a brief look at the Navy's drug policy and the reasons why drug use is not tolerated in the Navy.

b. Non U. S. Citizens. Non U. S. citizen applicants (permanent resident aliens) shall be briefed about the expeditious processing of requests to become naturalized citizens with the United States Citizenship and Immigration Services (USCIS) that results from service in the U. S. military. Non U. S. citizen service members may become naturalized citizens after completing three years of honorable service, provided they maintain all other USCIS eligibility requirements. The naturalization process normally takes up to five years for permanent resident aliens without U. S. military service.

Note: There is currently no requirement for a Navy service member to become Naturalized for retention or continued service.

050102. STATEMENTS OF UNDERSTANDING. Each recruiter shall brief the applicant on the contents of the Enlistment Statement of Understanding and Enlistment Statement of Understanding Regarding Family Members and have the applicant initial the appropriate block and sign. Place the original forms in the Enlisted Service Record, provide the applicant with copies, and place copies in the applicant's residual file.

a. An applicant with dependent child(ren) who is/are in the custody of another adult must initial the final paragraph.

b. An applicant who is married to a spouse serving on active duty in any branch of the Armed Forces must initial all paragraphs. Counsel the applicant that dual military couples with dependent child(ren) must develop a single Family Care Plan which must be signed by the caregivers, both members, and submitted with Full Kit waiver.

050103. FUNDAMENTAL APPLIED SKILLS TRAINING (FAST). Applicants entering DEP who have a Verbal Expression (VE) score of 40 or less, must sign the NAVCRUIT 1133/109 Fundamental Applied Skills Training (FAST).

- a. The EPDS shall ensure a copy of the above NAVPERS 1070/613 is provided to the recruiter of record or Recruiter-in-Charge.
- b. Recruiters must brief DEP members required to attend FAST about the FAST Program. Briefings should emphasize that FAST offers recruits no-cost training by college instructors on how to effectively study and learn.
- c. Native English speakers complete a three-week course of instruction: two weeks on Navy Reading Skills and one week of Study Skills. Some non-Native English speakers experiencing particular difficulty with English complete a four-week course of instruction: three weeks of Verbal Skills and one week of Study Skills.
- d. In very rare instances, a fifth week of instruction for non-Native English speakers is warranted. In the short term, this will maximize their chances of success in classroom training at RTC, and in the long term provides them skills they will use throughout their Navy careers and beyond.
- e. Recruiters shall annotate, on the prospect card/record, the date they briefed their DEPper on the FAST Program.

050104. IMMUNIZATION RECORDS. To prevent unnecessary immunizations at RTC, new recruits must bring documentation on any immunizations received since birth.

a. Acceptable forms of documentation include yellow "shot cards", letters from physicians on letterhead stationery, and copies of medical records from school health programs, doctors' offices, clinics, hospitals, emergency rooms, or a completed immunization form as indicated below.

b. Recruiters must advise new recruits that if they do not provide proof of current vaccinations, they will receive the following vaccinations at RTC: measles, mumps, rubella (MMR); polio; yellow fever; and diphtheria-tetanus (DT or DPT).

c. Immunization Information for Navy Recruit Training.

(1) Use of Form. This form is to be distributed to all applicants for the purpose of eliminating unnecessary immunization.

(2) Procedures:

(a) Advise all applicants that they must first read the Privacy Act Statement (Page 1).

(b) Applicants shall then take the NAVCRUIT 6000/2, to their physician or health care provider for completion.

(c) All other instructions are stated on Page 2 of the form.

(d) Recruiters shall request applicants provide a copy of their immunization record with their school transcript or diploma. When received, attach the immunization record to the applicant's Medical Pre-Screening Form, DD Form 2246, prior to enlistment on active duty. The immunization record is not required for processing through MEPS or enlistment into the Delayed Entry Program.

(e) Should the applicant fail to provide a copy of their immunization record prior to enlistment, make the following entry in Section VI, Remarks, of the DD Form 1966: "Immunization Record not available from school, health programs, doctor's offices, clinics, hospitals, or emergency rooms".

050105. WELCOME ABOARD LETTER. All new DEPper's should receive the Navy Recruiting Command's Welcome Aboard Letter, (Exhibit 050101). If not provided at DEP-in, the letter will be sent to the new DEPper as soon as possible after DEP-in.

050106. ZERO TOLERANCE POLICY. Recruiters shall thoroughly brief each new recruit on the Navy's Zero Tolerance Policy. Inform the enlistee that urinalysis drug testing takes place within 24 hours of arrival at RTC and must stress that a positive urinalysis will result in immediate discharge.

050107. TRAINING PERIOD (RTC). Recruit training is the period when the recruit adjusts to the Navy life. Advise new recruits that the training is rigorous and designed to test the recruit's ability and motivation to become a member of the Navy team. Those who do not meet the stringent Navy standards will be discharged. Discharge for fraudulent enlistment can result if information not disclosed during the recruiting process is revealed at a later time.

a. New recruits must realize and understand that Navy life requires discipline and adherence to regulations and that these requirements are necessary for the well being of the individual as well as the group as a whole.

b. Encourage new recruits to ask questions, read and understand everything they sign during the recruiting process and while at RTC.

c. Each new recruit must understand that graduation from boot camp may be delayed for various reasons, including illness, academic failure, emergency leave, disciplinary problems, lack of motivation, or failure to meet minimum swimming and physical training requirements.

050108. ADDITIONAL INFORMATION FOR NEW RECRUITS

a. Additional Training. All recruits not attending Class "A" School immediately following recruit training will remain for four additional weeks of Seaman or Airman Apprentice Training.

b. Life Insurance. Encourage applicants for enlistment and reenlistment who have either U. S. Government National Life Insurance and/or commercial life insurance policies to retain these policies until they can be adequately informed of their rights under the Serviceman's and Veteran's Survivor Benefits Act. Applicants and their parents must be advised that the Navy does not sell insurance or endorse any commercial insurance company. Therefore, the enlistee must be careful in obtaining insurance before receiving full information on the rights of the enlistee under the aforementioned Act. This information is normally provided at the indoctrination training schools or can be obtained at the first permanent duty station.

c. Transportation. MEPS will arrange transportation to RTC Great Lakes. New recruits' luggage is their responsibility and they must personally check it aboard the plane, train, or bus and reclaim it upon arrival. Transportation from airlines/train/bus terminal to RTC is handled as follows: New recruits arriving at O'Hare International Airport are taken to RTC via NAVTRANS bus. The bus service begins at 0755 and runs until 2215 Monday through Friday, with buses leaving approximately every two hours. The service runs from 0755 to 1625 on Saturdays. New recruits arriving after regular bus service hours (or at any time at the train or bus terminals) must go to the USO to arrange transportation.

d. Fraternization. Advise a new recruit that once they arrive at RTC, there is no talking or socializing between the sexes. Any recruit that breaks this rule may be set back two weeks in training.

050109. SPECIFIC INFORMATION FOR MALE NEW RECRUITS. Because storage space is extremely limited at RTC, instruct new recruits to limit the amount of personal effects brought with them, and keep luggage to a maximum of one small gym or travel bag. Advise new recruits reporting to RTC during winter months (October through April) to wear warm outer clothing. Counsel new recruits that during in-processing they will be required to mail any item not listed above, with their excess civilian clothing and personal effects, to their home at their own expense or donate them to charity. Personal items and clothing shall not be stored at RTC. In addition to the clothing worn on the trip, new recruits may also bring:

a. One pair of prescription glasses (most recent pair) and reading glasses. NEW recruits are **not allowed** to wear contact lenses during recruit training. If only contact lenses are worn (e.g., a recent pair of glasses is not available), the new recruit may wear the contact lenses to RTC and bring a contact lens case with a small bottle of solution for cleaning, disinfecting, and storage. Military glasses will be issued during the first few days of in-processing and contact lens wear will then no longer be permitted.

b. Money – maximum of \$50

c. Light sweater/jacket for winter months

d. Completed Direct Deposit Sign-Up (Standard Form 1198A)

- e. Check book and ATM card
- f. Photo Identification/ Drivers license
- g. Two pairs of clean socks
- h. Prescription drugs with identifying prescription labels
- i. Small Bible

- (2) Small address book
- (3) Jewelry (limit to Wedding Ring, Watch, Religious Medallion)
- (4) Retainer case

These certificates are necessary to register allotments. Recruits must also bring copies of court decrees pertaining to alimony and child support. Additionally, if either the wife or husband has been previously divorced, a certified copy of divorce documents is required
- (8) Alien Papers. Advise alien new recruits to bring a copy of their certificate of entry.

050110. SPECIFIC INFORMATION FOR FEMALE NEW RECRUITS. Because storage space is extremely limited at RTC, instruct new recruits to limit the amount of personal effects brought with them, and keep luggage to a maximum of one small gym or travel bag. Advise new recruits reporting to RTC during winter months (October through April) to wear warm outer clothing. Counsel new recruits that during in-processing they will be required to mail any item not listed above, with their excess civilian clothing and personal effects, to their home at their own expense or donate them to charity. Personal items and clothing shall not be stored at RTC. In addition to the clothing worn on the trip, new recruits may also bring:

a. One pair of prescription glasses (most recent pair) and reading glasses. New recruits are **not allowed** to wear contact lenses during recruit training. If only contact lenses are worn (e.g., a recent pair of glasses is not available), the new recruit may wear the contact lenses to RTC and bring a contact lens case with a small bottle of solution for cleaning, disinfecting, and storage. EXHIBIT 050101. WELCOME ABOARD LETTER**WELCOME ABOARD LETTER**

Congratulations on your decision to join the United States Navy! Ahead of you are many new experiences and opportunities.

No matter what program and training you have qualified for and selected, the Navy **wants** you to continue your education. This letter is intended to explain your education benefits. It is imperative that you understand the Montgomery GI Bill so that you can make the right decision.

You are **automatically enrolled** in the GI Bill unless you choose not to participate. You will be asked to make this decision upon arrival at boot camp. Participation in the GI Bill requires a \$100 per month reduction in pay for your first 12 full months of service. This \$1,200 is nonrefundable. In return for this investment, you earn GI Bill benefits totaling \$_____ for less than a three-year enlistment or \$_____ for a three-year or longer enlistment. This equates to a monthly benefit of \$_____ or \$_____, respectively, for 36 months to go to school. You are eligible to begin drawing benefits after two years of continuous active duty. You can use your GI Bill for attendance at any VA-approved college, university, or technical school, or for apprenticeship, flight, on-the-job training, or correspondence courses.

If you decide not to remain enrolled in the GI Bill, you will have the opportunity to disenroll after arrival at boot camp. **You will only have one opportunity to disenroll, and your decision is final.** You will not be able to enroll at a later date. The choice is yours. Know the facts about the program. An informational pamphlet is enclosed to aid you in this very important decision. We encourage you to discuss the GI Bill and its benefits with your family and/or school guidance counselor prior to reporting to boot camp. For any further information, contact your recruiter.

Again, congratulations on joining the finest fleet in the world.

CHAPTER 6

DEP SLOPE TARGET (DST)

060101. DISCUSSION. The measure of COMNAVCRUITCOM's enlisted performance is the attainment of assigned enlisted shipping quotas, by component and category, measured on a monthly and yearly basis. An equally important measure of performance is the number of quality new contracts written by recruiters. The fundamental concept is that the recruiting command will be able to achieve its shipping quotas only by consistently writing and correctly placing enough quality new contracts, by category, into designated months. To facilitate this action, the DEP Slope Target (DST) program was established.

a. In-month DST. In-month total and priority rate DST for COMNAVCRUITCOM will be the beginning of the month DEP (BOM DEP) plus/minus the number of shippers (if any) necessary for the nation to make both total and priority rate accession goals.

b. DEP reservation placement is based on assigned DST. Classifiers shall classify applicants and place them to meet both One Navy and priority rate DST. DEP reservation placement priorities will be as follows:

(1) DST profile.

(2) Placement for the current and next 12 out months in order to achieve the ideal DEP slope of 100, 100, 100, 90, 80, 70, 60, 50, 40, 30, 20, 10, and 10 percent.

(3) 11S reservations shall be placed in the earliest feasible month consistent with the DST concept.

c. The top priority for recruiters is meeting new contract objective (NCO) in the correct quality mix so that COMNAVCRUITCOM makes NCO and both One Navy and priority rate DST Objectives.

060102. RESPONSIBILITIES. To ensure the nation meets monthly accession goals and to improve the national DEP Slope, the following items shall be accomplished:

a. COMNAVCRUITCOM

(1) Determine, monthly, the number of shippers required to meet in-month and priority rate accession goals and distribute any overage/shortage to the Regions by the third working day of the month.

(2) Determine, monthly, the number of new contracts needed to achieve the desired total and priority rate DSTs for the out-months. The NCO requirements will be reflected on the One Navy and Priority Rate Net Contract (NETCON) report.

(3) Monitor national priority rate placement, and lock/unlock programs as necessary to achieve priority rate DST.

(4) Monthly, by the fifth working day, distribute the Mix Planning Matrix (MPM) to the Region. The MPM will include monthly accession targets for all categories with the exception of Male 4YO/5YO/6YO.

(5) Quarterly (or more frequently if necessary), distribute the fiscal year "Quality Plan" for accession and NCO by the tenth working day of the month. The Quality Plan will include annual Region NCO and accession targets and percentages for the following categories: Test Score Category (TSC) I-III A: Total, Male, Female, African-American, Hispanic, and Asian/Pacific Islander/Native American. It will also include annual accession limits for Tier II/III and Home School/National Guard Youth Challenge. Female TSC I-III A fiscal year DEP percentages must remain above the percentages listed for each NAVCRUITREG in the Quality Plan.

b. Navy Recruiting Regions

(1) Ship the number of total and priority rate accessions equal to the beginning of the month DEP plus/minus number of shippers necessary to achieve region mission.

(2) Distribute assigned total and priority rate DSTs to their NAVCRUITDISTs by the fifth working day of the month.

(3) Monitor and control NAVCRUITDIST contract placement and replacement towards DST. Regions will lock/unlock DST months as appropriate to ensure optimum DST placement.
