Chapter 1
INTRODUCTION

Purpose. To provide concise information on each commissioning program open to enlisted personnel. This introduction will be useful to the individual interested in officer programs as well as career counselors and other advisors or mentors in the chain of command. Additional chapters of this manual provide the specific eligibility criteria and must be carefully reviewed when applying for an officer program.

1. The U.S. Naval Academy (USNA) and Naval Academy Preparatory School (NAPS) (Chapter 3)

   a. General Information

   (1) The U.S. Naval Academy (USNA), located in Annapolis, Maryland, offers an outstanding opportunity for qualified young men and women to embark on careers as officers in the Navy or Marine Corps. Students at the Naval Academy are Midshipmen, U.S. Navy, receiving pay of a midshipmen plus tuition, room, and board. Candidates report to the Naval Academy in late June or early July for Plebe Summer. The academic curriculum focuses primarily on technical fields of study such as engineering, math, and physics, which lead to appointments in the Unrestricted Line communities of the Navy including Surface Warfare, Submarines, Aviation, Special Warfare and Special Operations. A percentage of appointments in the U.S. Marine Corps are also offered to those qualified. A Bachelor of Science degree is awarded upon graduation. Graduates are commissioned as Ensigns, U.S. Naval Reserve, or as Second Lieutenants, U.S. Marine Corps Reserve. The minimum service obligation is 5 years active duty and 3 years Reserve upon initial appointment as an officer.

   (2) The Naval Academy Preparatory School (NAPS) provides intensive instruction and preparation for the academic, military and physical training curricula at the U.S. Naval Academy. NAPS students are in an active duty enlisted status. The school convenes in July of each year and runs through May of the following year. NAPS is located on board the Officer Training Center (OTC), Newport, Rhode Island. Upon successful completion of NAPS, appointments to the Naval Academy are offered and those who accept the appointment report in late June or early July with the incoming class.

   (3) More information about the Naval Academy and NAPS can be obtained by visiting the Naval Academy’s web site at: www.usna.edu, or by contacting the Fleet Coordinator (410) 293-1840/DSN 281-1840.
b. b. Basic Eligibility Requirements. Applicants must be:

(1) Citizens of the United States. This cannot be waived.

(2) Of good moral character and have no record of disciplinary action within 3 years prior to application.

(3) At least 17 years of age and must not have passed their 23rd birthday on Induction Day (the day Midshipman report to the Naval Academy and take their oath of office as Midshipman) of the year entering the Naval Academy. This is a statutory requirement and cannot be waived.

(4) Unmarried, not pregnant, and have no incurred obligations of parenthood.

(5) Physically qualified.

(6) Officially nominated from the Secretary of the Navy or one of the many nomination sources available.

(7) Recommended by their commanding officer.

c. Additional academic and program eligibility requirements, along with the application procedures, are specified in greater detail in Chapter 3 of this manual.

2. Officer Candidate School (OCS) Program (Chapter 4)

   a. General Information

   (1) OCS is an initial commissioning program for individuals possessing at least a baccalaureate degree from an accredited institution. Selectees for OCS may choose, depending upon individual qualifications, designators within the Unrestricted Line, Restricted Line, and certain Staff Corps designators. Appendix H of this manual provides a description of the designators open to qualified candidates. OCS is a 13-week program of concentrated officer training and indoctrination located at Naval Aviation Schools Command, Pensacola, Florida.

   (2) Enlisted applicants selected for the program who are in paygrade E-4 or below are designated officer candidates and advanced to paygrade E-5 upon reporting to OCS. Enlisted applicants in paygrade E-5 and above are designated officer candidates in their present paygrades. Graduates of OCS are appointed as Ensigns, U.S. Naval Reserve and incur a minimum active duty obligation of 4 years. Certain designators incur
greater minimum active duty obligation because of follow-on training required for that designator.

b. Basic Eligibility Requirements. Applicants must be:

   (1) Citizens of the United States. This cannot be waived.

   (2) Of good moral character and have no record of disciplinary action within 3 years of application.

3. Medical Enlisted Commissioning Program (MECP) (Chapter 5)

   a. General Information

      (1) MECP is a Nurse Corps commissioning opportunity. It provides a pathway for active duty enlisted personnel of all ratings, who possess some college credit, to obtain a baccalaureate and/or masters degree in nursing and ultimately a commission in the Nurse Corps. This program is not intended to serve as a precursor to medical school, or for physical therapy, physician assistant, or other health care specialty.

      (2) Selectees for the program will participate in a nationally accredited academic program leading to a baccalaureate and/or masters degree in nursing. MECP students receive full pay and allowances for their enlisted paygrades and are eligible for advancement while in college. The student pays tuition, fees, books, and other expenses incurred while participating in MECP.
If eligible, students may use the Veterans Educational Assistance Program (VEAP) or Montgomery GI Bill (MGIB) educational benefits, however, students are not eligible for benefits under the Tuition Assistance program. The selectee may seek financial assistance from other sources.

3. Selectees are required to complete degree requirements in not more than 36 consecutive calendar months and attend school on a full-time, year-round basis beginning in the fall of the year selected.

8. Recommended by their commanding officer.

c. Application Deadline. Applications must be received as announced in the NAVADMIN for that year in which the applicant desires selection to the program.

d. Additional academic and program eligibility requirements are specified in greater detail in Chapter 5.

6. Seaman to Admiral – 21 (STA-21) Program (Chapter 8)

a. General Information

(1) STA-21 is a commissioning program that provides an excellent opportunity for highly motivated active duty enlisted personnel in the Navy or Naval Reserve, including Training and Administration of the Reserves (TAR), Selected Reserve (SELRES), and Navy Reservists on active duty, except for those on active duty for ACDUTRA to include annual training (AT) and initial active duty for training (I-ACDUTRA), to complete requirements for a baccalaureate degree and earn a commission in the Unrestricted Line (URL), Nurse Corps (NC), Supply Corps (SC), Civil Engineer Corps (CEC), or Special Duty (Cryptology, Intelligence) Officer. Although the applicant’s history of fleet performance will receive consideration during the selection

Enclosure (1)
process, emphasis will also be placed on the identification of those applicants who possess both the academic and leadership potential necessary to become outstanding naval officers. STA-21 has three components:

(a) **BOOST:** A 3- or 6-month college preparatory program located at Naval Education and Training Center (NETC), Newport, RI. A limited number of selected STA-21 participants will be chosen by Chief of Naval Education and Training (CNET) to attend BOOST to improve academic skills before attending the Naval Science Institute (NSI).

(b) **Naval Science Institute (NSI):** A 9-week course of intensive officer preparation and indoctrination at NETC attended by all selectees en route to their university assignment.

(c) **Full-time, year-round study for up to 36 months** at an NROTC-affiliated university. All selectees will be ordered to an NROTC unit on a permanent change of station (PCS) basis, but may choose to enroll in either the NROTC host institution or one of its affiliated cross-town universities as listed in Appendix B. STA-21 officer candidates will participate in drills with their NROTC unit, attend the two Naval Science leadership courses, and are strongly recommended to hold leadership positions within the unit. STA-21 officer candidates do not participate in the NROTC midshipman cruises. They remain on campus to attend classes during summer academic sessions.

(2) **STA-21 students receive full pay, allowances, and benefits for their enlisted pay grades and are eligible for advancement while participating in the program.** To ensure study materials are available, all requirements for the next advancement exam should be completed prior to detaching from the present command. Entitlement to the Selection Reenlistment Bonus is as specified in OPNAVINST 1160.6A.

(a) **All special duty assignment pays (SDAP) cease upon transfer to NSI.** If designated for attendance at BOOST school prior to reporting to NSI, SDAP will cease upon transfer to BOOST.

(b) **Some special pays may continue for those individuals selected for and participating in the STA-21 Special Warfare or Special Operations Option programs,** if specific program qualifications are maintained as directed by the Officer Community Managers (Chief of Naval Operations (CNO) (N131H and N131X)). Maintenance of certain naval special warfare and special operations skills enhances safety and is more cost effective than periodic retraining that is required when such skills lapse.
(3) STA-21 students will receive up to $10,000 per year, paid to the university by CNET to supplement costs of tuition, books and fees (i.e., if tuition, fees and book costs total $7,000, only $7,000 will be paid out by the STA-21 program; if tuition, fees and book costs total $13,000, the selectee must pay $3,000). STA-21 students may not use nor are they eligible for tuition assistance under the Navy’s Tuition Assistance Montgomery GI Bill (MGIB) educational benefits as specified in BUPERSINST 1780.1. Questions regarding use of MGIB benefits should be directed to the Navy Personnel Command’s Navy Education Program Office at 1-800-962-1425.

b. Basic Eligibility Requirements. Applicants must be:

(1) Citizens of the United States. This cannot be waived.

(2) Recommended by the commanding officer as having good moral character, officer potential, and unquestionable loyalty to the United States.

(3) Serving on active duty in the U.S. Navy or Naval Reserve including TAR, SELRES, and Navy Reservists on active duty except for those on ACDUTRA to include AT and I-ACDUTRA. Individual option programs may have additional requirements and specific restrictions. See Chapter 8 for community specific information.

(4) A high school graduate or hold a GED.

(5) Able to complete a baccalaureate degree in 36 months.

(6) Able to complete degree requirements and be commissioned prior to 31st birthday. Waivers of this requirement may be considered understanding that specific age requirements for certain STA-21 option programs differ. See Chapter 8 for community specific information.

(7) Have a certified copy of SAT or ACT test scores from a test taken within 3 years of application due date. A minimum score of 500 Math and 500 Verbal on the SAT test or a minimum score of 21 Math and 20 English on the ACT test. No waivers will be considered. Certain STA-21 option programs have more stringent requirements and are addressed in Chapter 8.

(8) Meet physical commissioning standards.

c. Application Deadline. Applications must be received by 1 July of the year in which the applicant desires acceptance into the program.

3. Discussion topics should draw out the applicant. Suggested topics include: Navy programs, service life, school experience, personal interest, goals in life, current events, sports, family attitude toward application, and any others suggested by a review of the application file.

4. Marking is difficult. Your judgments forms an important part of each applicant's file, and usually represent the only personal contact with the applicant reported by an official of the Navy. Be fair and impartial, neither too easy nor too hard on the applicant. Mark only on what you have observed personally, not on the opinions or comments of others.

5. No marks should be put on this form until the interview has been completed.

6. If it appears that the space for comments will not be sufficient, phrases may be used rather than complete sentences.

7. Below is a checklist of characteristics which interviewing officer can observe of adjectives which can be used to describe these characteristics in applicants. This is meant only to assist the interviewer in preparing for the interview and in making a written evaluation after the interview. It is not intended to be all-inclusive.

2. **Summary of Changes**

   a. Enlisted members who apply to the U.S. Naval Academy and are not selected for direct entry are automatically considered for entrance into NAPS. To be considered for NAPS, applicants should not have passed their 22nd birthday on 1 July of the year that they will enter NAPS.

   b. All applicants must obtain a nomination from an official source. Applicants should apply to all categories of nominations for which they qualify. The Secretary of the Navy may appoint 170 enlisted members of the Regular and Reserve Navy and Marine Corps to the Naval Academy each year. Fleet applicants MUST apply for a SECNAV nomination. Reservists must be on active duty, or must be members of a drilling unit of the Reserve, be recommended by their commanding officer, and have maintained efficiency in drill attendance with their Reserve unit. Midshipmen USNR of the Regular NROTC Program are not eligible for appointment under this quota.

   c. Detailed nomination procedures and sample formats for each nomination category are provided in the Naval Academy catalog, or on the Naval Academy’s web page at [www.usna.edu](http://www.usna.edu). Catalogs can be obtained by contacting the Naval Academy Admissions Office at:

4. Program Information

a. The U.S. Naval Academy is a 4-year military college that offers an outstanding opportunity for qualified young persons to embark on careers as officers in the Navy or Marine Corps after obtaining a Bachelor of Science degree. Students at the Naval Academy are Midshipmen, U.S. Navy, receiving pay of a midshipmen plus tuition, room and board. Candidates report to the Naval Academy usually in late June or early July for Plebe Summer. Graduates are commissioned as Ensigns, U.S. Naval Reserve, or as Second Lieutenants, U.S. Marine Corps Reserve. The minimum service obligation is 5 years active duty and 3 years Reserve upon initial appointment.

b. The Naval Academy Preparatory School (NAPS) provides intensive instruction and preparation for the academic, military and physical training at the Naval Academy. NAPS students are on active duty enlisted status in the U.S. Navy. The school convenes in July of each year and runs through May of the following year. Upon successful completion of NAPS, appointments to the Naval Academy are offered and those who accept the appointment report in late June or early July with the incoming class.

c. Any enlisted man or woman in the Navy or Marine Corps, or the Naval or Marine Corps Reserve on active duty may apply. In addition, enlisted members who apply to the Naval Academy and are not selected for direct entry are automatically considered for entrance into NAPS. To be considered for NAPS, applicants should not have passed their 22nd birthday on 1 July of the year that they will enter NAPS.

5. Eligibility Requirements For Admission

a. U.S. citizenship is required. This cannot be waived.

b. At least 17 years of age and must not have passed their 23rd birthday on 1 July of the year entering the Naval Academy. This is a statutory requirement and cannot be waived.

c. Applicants must be of good moral character and have no courts-martial conviction or civilian felony conviction, no record of disciplinary action under Article 15, Uniform Code of Military Justice, or conviction by civil court for misdemeanors.

Enclosure (1)
(except minor traffic violations) during the 3 years preceding application for the program. Any substantiated drug use or alcohol abuse will result in disqualification.

d. Unmarried, not pregnant, and have no incurred obligations of parenthood.

e. Applicants must be physically qualified and in excellent health and physical fitness as determined by a medical examination administered by the Department of the Defense Medical Examination Review Board (DODMERB). DODMERB will schedule the service academy qualifying medical examination and will contact the applicant by mail. In most cases, the medical exam will be done at the service member's local medical facility with the assistance of DODMERB. Applicants must meet the following criteria:

(1) Have normal visual acuity of 20/20 in each eye. Waivers are granted to many candidates with some degree of defective visual acuity provided the vision can be corrected to 20/20 in each eye with conventional (spectacle) lenses in which the refractive power does not exceed +/-6.0 diopters in any meridian and the astigmatism is not more than 3.0 diopters.

(2) Have normal color perception as determined by the Farnsworth Lantern test.

(3) If applicants have any tattoos, brands or pierced body parts (with the exception of a single earring perforation in each earlobe for women), these must not be visible when wearing regulation Physical Education gear (gym clothes). Any tattoos or brands that are prejudicial to good order and discipline, offensive, or are of a nature to bring discredit to the Naval Service are prohibited regardless of location.

f. All applicants must obtain a nomination from an official source. Applicants should apply to all categories of nominations for which they qualify. The Secretary of the Navy may appoint 170 enlisted members of the Regular and Reserve Navy and Marine Corps to the Naval Academy each year. **Fleet applicants MUST apply for a SECNAV nomination.** Reservists must be on active duty, or must be members of a drilling unit of the Reserve, be recommended by their commanding officer, and have maintained efficiency in drill attendance with their Reserve unit. Midshipmen USNR of the Regular NROTC Program are not eligible for appointment under this quota. Detailed nomination procedures and sample formats for each nomination category are provided in the Naval Academy catalog, or on the Naval Academy’s web page at
www.usna.edu. Catalogs can be obtained by contacting the Naval Academy Admissions Office at:

U.S. Naval Academy
Admissions Office
117 Decatur Road
Annapolis, MD 21402
(410) 293-4361/DSN 281

g. Scholastically qualified as determined by the Naval Academy based upon:

(1) An acceptable secondary school transcript with college preparatory subjects and grades indicating college capability and a class standing normally in the top 40 percent in high school. To be competitive, applicants should have completed 4 years of math, (including a strong foundation in geometry, algebra and trigonometry), 4 years of English, and 1 year of chemistry. Additionally, physics, history, and 2 years of a foreign language are strongly recommended. Courses in pre-calculus or calculus are also very valuable and encouraged.

(2) Acceptable score(s) on the Scholastic Aptitude Test (SAT) or the American College Testing (ACT) Program Test. These tests must be no more than 2 years old upon applying for the Naval Academy. To increase competitiveness these tests should be taken within 1 year. To be considered for a Secretary of the Navy nomination, a candidate should obtain an SAT score of 550 Math and 500 Verbal, or ACT scores of 24 Math and 22 English. These scores are not competitive for entrance into the Naval Academy, but may place a candidate in contention for NAPS based on a "whole person" assessment. Tests may be taken more than once, and the highest scores in each category on either test will be accepted.

(3) Applicants who are close to these levels or have questions about academic qualification are strongly encouraged to contact the Fleet Coordinator at the Naval Academy Admissions Office at (410) 293-1840/DSN 281.

h. Recommended in writing by his/her commanding officer.

6. Application Submission Procedures and Deadlines

a. Apply for admission by filling out a Preliminary Application. This can either be done via the Naval Academy web page at: www.usna.edu/Admissions/pre-application, or by requesting a questionnaire through the mail by calling the Fleet
Coordinator at (410) 293-1840/DSN 281. Also, refer to the annual NAVADMIN that the USNA releases detailing application deadlines and procedures. Once named an official candidate, the applicant will receive a complete candidate application packet through the mail. To ensure the candidate packet is received by the applicant in a timely manner, a complete mailing address where the applicant is currently stationed should be provided on the Preliminary Application. The earlier an applicant applies the better; therefore forms should be completed and returned to the Academy as soon as possible. **Candidate packets should be completed by 1 March of the year for which the service member is applying for entry.**

b. Submit an application request for a Secretary of the Navy (SECNAV) nomination via the chain of command to the commanding officer for endorsement and recommendation. (**Format provided in Appendix A-2 and A-3**). SECNAV nomination requests must be received by the Academy’s Admissions Office no later than 31 January of the year in which the applicant desires admission.

c. Submit official SAT or ACT test scores to USNA. If a test was not taken, applicants must register and pay for SAT or ACT tests, and request that the results be sent to the Naval Academy. (**See note below**) Use code 5809 for the SAT and code 1742 for ACT. Applicants are encouraged to take one or both of these examinations at the earliest opportunity, and may take the exams more than once. Detailed information and registration forms for these tests may be obtained by writing to:

**SAT:** The College Entrance Examination Board
Code 592
Princeton, NJ 08540
www.collegeboard.org

**ACT:** The American College Testing Program
Box 414
Iowa City, IA 52240
www.act.org

The Naval Academy will not accept SAT test scores from tests taken after January, and ACT tests scores from tests taken after February of the year for which the service member desires admission to the Naval Academy. If an applicant has taken the SAT and/or the ACT, but did not indicate at the time of registration for the test scores to be forwarded to the Naval Academy, the applicant should contact the appropriate testing agency and request that the scores be forwarded. It is the
service member's responsibility to ensure that official scores are forwarded to the Naval Academy.

***At some military facilities, the SAT or ACT is offered through the Educational Services Office - service members are encouraged to check with their command for this opportunity.

7. Specific Information and Guidance for Commanding Officers

   a. Upon receipt of a Secretary of the Navy nomination request letter, the commanding officer will interview the applicant personally according to the following guidance:

      (1) Ensure the applicant has a thorough understanding of the military, academic and physical rigors of the Naval Academy, and that he/she understands and appreciates the demands of the career upon which he/she is embarking.

      (2) Close personal interest and attention to the applicant's military appearance, leadership potential, professional performance, attitude and character as well as basic eligibility requirements are a must.

      (3) Dedication, enthusiasm and motivation are equally important as scholarship in assuring success in the Naval Academy or NAPS program.

      (4) Consider all information available about the applicant in addition to the information obtained from the interview.

   b. Ensure only the best are selected for the program, evaluating the member’s military performance, suitability for the program, and potential as a commissioned officer. While it is necessary to identify an unlikely prospect, it is just as important that an applicant's academic record in high school or college is not screened by the command to determine suitability for admission. The Naval Academy's Admissions Board will remain the final authority on whether a member meets the academic requirements based on a "whole person assessment".

   c. Provide an endorsement to the applicant's letter. (Sample format provided in Appendix A-4). Ensure that the applicant meets all eligibility criteria and identify and make recommendations in cases where waivers are required.

   d. In those instances in which the deployed status of a ship, squadron or Marine unit makes communications by letter
impractical, commanding officers may submit a message (sample format in Appendix A-5) in lieu of Appendix A-2 and A-4.

e. Ensure that an original and one copy of the SECNAV application and endorsement are properly prepared and forwarded to:

Superintendent
U.S. Naval Academy
Nominations and Appointments Office
117 Decatur Road
Annapolis, MD 21402-5019

f. The Naval Academy will advise those selected for direct appointment usually by May; those selected for the Naval Academy Preparatory School will usually be notified by June.

8. Administrative Information

a. Change of address

(1) Applicants must notify the Fleet Coordinator of any change in mailing address and/or receipt of transfer orders prior to receipt of offer of appointment to the Naval Academy (normally issued about 15 April).

b. Service Obligation

(1) Service members offered an appointment must have a minimum of 24 months of active obligated service, as of 1 July of the entering year. Candidates who are selected for admission to NAPS must have a minimum of 24 months obligated service as of 1 July of the year that they will enter the Preparatory School. NAPS graduates who are appointed to the Naval Academy must have a minimum of 24 months active obligated service as of 1 July of the year that they will enter the Naval Academy. Members who do not have the requisite minimum obligated service must agree to extend their enlistment utilizing NAVPERS 1070/621 or NAVPERS 1070/622. The reason for extension of enlistment should state "Appointment to the U.S. Naval Academy" or "Assignment to the Naval Academy Preparatory School" as appropriate. The following statement of understanding should be included with the reason for extension of enlistment: "I understand that upon such appointment this agreement becomes binding and may not thereafter be canceled except as provided by the MILPERSMAN."

(2) Former Fleet Sailors that disenroll from the Naval Academy/NAPS for reasons other than acceptance of a commission or a physical disability will revert to the enlisted status held

Enclosure (1)
immediately prior to entry to the Naval Academy/NAPS. Enlisted members will be required to complete the period of service for which they originally enlisted, and for which they have an obligation (any extension or reenlistment). Time served as a midshipman (Naval Academy) or midshipman candidate (NAPS) will be counted as time served under the original enlistment or period of obligated service.

(3) Midshipmen who are separated or whose resignations are accepted after the start of the junior year, but before completing the course of instruction, may be transferred to the Reserve component in an enlisted status and ordered to active duty for not less than 2 years, but no more than 4 years.

(4) Midshipmen who complete the course of instruction and decline to accept an appointment as a commissioned officer may be transferred to the Reserve component in an enlisted status and ordered to active duty for 4 years.

(5) Naval Academy graduates, upon appointment, are required to serve on active duty for a minimum of 5 years active and 3 years Reserve.

c. Withdrawal of Application or Recommendation

(1) An applicant may withdraw from consideration any time prior to transfer from present duty station to the Naval Academy or NAPS. A service member wishing to withdraw should decline transfer orders and notify the Naval Academy Admissions Office Fleet Coordinator at (410) 293-1840/DSN 281.

(2) Commanding officers shall immediately inform the Dean of Admissions, U.S. Naval Academy and recommend rescinding the appointment if the member's performance declines significantly or if the member is alleged to have violated the UCMJ.

d. Transfer Policy

(1) Candidates for the Naval Academy/NAPS receiving Permanent Change of Station orders, for execution subsequent to applying for this program, should not be transferred until officially notified of selection or non-selection to the Naval Academy or NAPS. If a transfer directive is received, commanding officers shall notify the orders originating authority that the individual has applied for appointment to the Naval Academy and that orders be held in abeyance until notification of selection or non-selection. If the applicant is selected, the commanding officer shall notify the orders originator that the individual
has been selected and that orders be canceled. If the applicant is not selected, the command shall transfer the individual and notify the orders originator that the orders have been executed. Any questions regarding this policy should be directed to the Admissions Office Fleet Coordinator at (410) 293-1840/DSN 281.

(2) Transfer directives will be issued by the Chief of Naval Personnel. Commanding officers shall ensure that no person ordered to the Naval Academy or NAPS is transferred without the required obligated service. Transfer directives are normally issued in June, ordering candidates to report to the Naval Academy the last week in June or to NAPS, in July.

(3) A positive leave balance, upon entering NAPS, is strongly encouraged in order to permit leave at Christmas.

(4) Each candidate must remit approximately $2,500, upon admission to the Naval Academy, as an entry deposit, which is applied to the initial uniform issue. It is strongly recommended that no advance pay be authorized for the candidate incident to transfer to the Naval Academy or NAPS.

e. Advancement in Rating for NAPS Students

(1) NAPS students are not able to fulfill the requirements for advancement in rating while they are enrolled because of the school's stringent academic requirements; however, if they meet all requirements for advancement prior to arrival at NAPS, they will be permitted to take the advancement in rate examinations.

(2) Service members may be advanced once they complete eligibility requirements. Personnel Advancement Requirements (PAR) may be waived by the commanding officer.

9. Inquiries. Information and questions should be addressed to:

U.S. Naval Academy

3. **Program Information**

   a. Officer Candidate School (OCS) is an initial commissioning program for individuals possessing a minimum of a baccalaureate degree from an accredited institution. Applicants for OCS may request designation, depending upon individual qualifications, from available community designators within the Unrestricted Line, Restricted Line and selected Staff Corps designators. OCS is a 13-week program of intensive officer training and indoctrination located at Naval Aviation Schools Command, Pensacola, Florida. The 13-week OCS course has been designed by Navy
officers and educators to give an individual a basic knowledge of the high-tech naval establishment afloat and ashore and to prepare those individuals to assume the responsibilities of a naval officer and begin developing to their full potential.

b. This course is designed to prepare members to become commissioned officers by providing basic knowledge of the naval profession and its related military, academic and nautical subjects. It will provide moral, mental and physical development, and instill the highest ideals of duty, honor, and loyalty. Members will receive specialized follow-on training after OCS to further prepare members for their initial Fleet assignment. The training candidates receive during the 13-week course is divided into 13 units of instruction: Naval History, Naval Orientation, Seamanship, Navigation, Damage Control, Engineering, Military Law, Administration, Military Training, Physical Fitness, Navy 3rd Class Swim Course, Naval Leadership and Special Emphasis Programs.

c. Enlisted applicants selected for the program, who are in paygrade E-4 or below are designated officer candidates and advanced to paygrade E-5 upon reporting to OCS. Enlisted applicants in paygrade E-5 and above are designated officer candidates in their present paygrades. Graduates of OCS are appointed as Ensign, U.S. Naval Reserve and incur a minimum active duty obligation of 4 years. Certain designators incur greater minimum active duty obligation because of follow-on training required for that designator. Appendix H provides a general description about each officer designator.

4. Eligibility Requirements

   a. U.S. citizenship is required and cannot be waived.

   b. Age requirements. All applicants must be at least 19 years old and meet the following designator specific age limitations. (Note - all ages based upon date of commissioning i.e., completion of OCS):

d. **Education.** Applicants must possess a baccalaureate degree or higher from an accredited institution, in a field of study or major which satisfies requirements for the specific designator desired. The following degree requirements are required for specific designators:

(1) For all Unrestricted Line designators any technical or non-technical degree from an accredited institution will qualify.

(2) For Submarine and Surface Warfare (Nuclear), in addition to a baccalaureate degree or higher, applicants must have completed the following:

   (a) One year, i.e., two semesters, two trimesters or three quarters of college calculus through differential and integral calculus of one real variable with a "B" average or better (a "C" average or better if the applicant's degree is in physics, math or engineering).

   (b) One year, i.e., two semesters, two trimesters or three quarters of basic college physics (calculus based) covering the classic fundamentals of mechanics, magnetism and electricity with a "B" average or better (a "C" average or better if the applicant's degree is in physics, math or engineering).

electronics, computer technology, physics, or engineering is desired. Prior experience in diving is also desirable.

(4) For Restricted Line and Staff Corps designators, the following requirements apply for the designators specified:

(a) Cryptology (164X). Applicants must have baccalaureate degrees. Educational and/or professional experience in mathematics, foreign languages, computer technology, physics, electronics or engineering is desired. Prior experience with the Naval Security Group is also desirable.

(b) Intelligence (163X). A baccalaureate degree in engineering, computer science, physical or natural science, government, modern history, political science, international relations or other field related to intelligence is preferred. Regardless of major, candidates should have a strong background in mathematics and physics. Experience in Naval Intelligence is also preferred.

(c) Oceanography (180X). A minimum of a baccalaureate degree in meteorology or physical oceanography or a comparable degree in mathematics, physics, geophysics, or engineering with at least 30 semester hours of courses in meteorology and/or oceanography is preferred. College graduates with civilian or military experience in meteorology, oceanography or hydrography who do not meet the educational requirements will be considered on an individual basis. Academic background and grade point average should meet entry requirements for graduate level education programs.

(d) Aerospace Maintenance Duty Officer (Aviation Maintenance) (152X). Applicants with baccalaureate degrees in math or physics are desired. Completion of calculus is highly desired, but proven academic performance on the technical side will be considered.

(e) Supply Corps (310X). A baccalaureate degree in Economics or a business-related field such as Accounting, Business Administration or Finance is desired. Experience in Business or Finance is also preferred.

(f) Civil Engineer Corps (510X). Applicants for the Civil Engineer Corps must have a baccalaureate degree
or higher in engineering from among those accredited colleges listed by the Accreditation Board for Engineering and Technology (ABET). Preferred engineering fields of study are civil, mechanical, or electrical. Architectural degrees are also desirable and must be accredited by the National Architectural Accrediting Board (NAAB). Applicants possessing other engineering degrees may be considered on an individual basis.

e. Applicants must meet specific program qualifications and aptitude scores. All applicants for the OCS program must take the Officer Aptitude Rating (OAR) examination. There is no minimum score; however, programs are highly competitive. OAR scores below 35 are generally not competitive. For the INTEL Community, the minimum OAR score is 45. The following are additional requirements for the designators specified:

(1) Naval Flight Officer (137X), Pilot (139X), and Aerospace Maintenance Duty Officer (152X) applicants must take the Aviation Selection Test Battery (ASTB). The test consists of these sub-tests: Math/Verbal (MVT), Mechanical Comprehension Test (MCT), Spatial Apperception (SAT), and Aviation/Nautical Information (ANT). These tests combine to give an Aviation Qualification Rating (AQR). The test scores are combined and weighted to produce a pilot flight aptitude rating (PFAR) and flight officer aptitude rating (FOFAR). The following minimum scores are the criteria for submitting applications for aviation:

<table>

Most common disqualifying conditions for URL include: defective color vision,
eyesight uncorrectable to 20/20 (near and far), and applicants out of height, weight, and body fat standards. Most common disqualifying conditions for the RL and SC include: excessive refractive error, and applicants out of height, weight and body fat standards. Applicants must meet physical height, weight, and body fat standards at time of application, including performance at “good-low” on two consecutive PRT scores. Applicants must meet the following physical qualifications specified by designator:

3. Program Information

   a. The Medical Enlisted Commissioning Program (MECP) is a Nurse Corps commissioning program specifically intended to provide an advancement pathway to a commissioned status in the Nurse Corps, U.S. Naval Reserve, on the active duty list. It is not to serve as a precursor to medical school (i.e. Uniformed Services University of Health Sciences), nor for academic programs leading to certification or licensure as a physical therapist, physician assistant, or other health care specialty. MECP provides outstanding career-motivated enlisted personnel of all ratings, who have previously attained a minimum of 30 transferable college credits, the opportunity to complete the requirements for a Bachelor of Science in Nursing (BSN) degree, and ultimately a commission in the Nurse Corps. Once the degree is completed, students are required to pass a State licensing exam to practice as a professional registered nurse. For those holding a BSN from an institution not nationally accredited by either the National Accrediting Commission (NLNAC) or the Commission on Collegiate Nursing Education (CCNE), applications for a Masters in Nursing (MSN) will be considered as a degree at the entry-level. No entry grade credit would be granted, as the MSN would be the qualifying degree for commissioning in the Nurse Corps.

   b. MECP is available to members serving on active duty as enlisted personnel in any rating of the Regular Navy or Naval Reserve, (including the Training and Administration of the Reserve [TAR] Program), or the Marine Corps or Marine Corps Reserve (including Active Reserve [AR] Program). Reserves on Active Duty for Special Work (ADSW) or One, Two, or Three-Year Recalls and Canvasser Recruiters are not eligible for the program.
c. Selectees for the program will participate in a nationally accredited academic program leading to a baccalaureate (or master’s degree if BSN from non-accredited program) in nursing. Long distance learning programs are not acceptable. When possible, the college or university must be within 50 miles of a naval activity to which the participant will be ordered, for administrative purposes, on a Permanent Change of Station (PCS) basis. The naval activity may be a Naval Reserve Center or other naval command.

d. MECP students receive full pay and allowances for their enlisted paygrade and are eligible for advancement while in college. The student pays tuition, fees, books and other expenses incurred while participating in MECP. Navy-sponsored tuition assistance may not be used to pay for tuition but selectees may seek financial assistance from other sources including those identified later in this chapter.

e. Selectees are required to complete the requirements for a baccalaureate or entry-level master's degree in not more than 36 consecutive calendar months and attend school on a full-time, year-round basis, beginning in the Fall semester following selection. Advanced academic standing may be granted at the discretion of the individual school; however, candidates must then complete the degree requirements in a proportionately reduced period of time.

f. Selectees dropped from MECP at any time, either for academic or administrative reasons, will be made available and issued PCS orders to a new assignment in their enlisted rating to complete their active duty service obligation.

g. Graduates from MECP must complete State licensure requirements to become a registered nurse. They are commissioned as Ensign, Nurse Corps, United States Naval Reserve, attend Officer Indoctrination School (OIS), and incur an 8-year military service obligation with a minimum of 4 years served on active duty.

4. Eligibility Requirements. To apply for MECP, applicants must meet the following requirements:

a. U.S. citizenship. Required and can not be waived. Certified copy of birth/naturalization certificate is required.
b. Age requirement. Applicants must not have reached their 35th birthday by the time of initial appointment and commissioning. The annual NAVADMIN will specify if any age waivers will be authorized.

c. Moral character and conduct. Applicants must be of good moral character and have no court-martial conviction or civilian felony conviction. Have no conviction by civil court for misdemeanors (except minor traffic violations) during the 3 years preceding application for the program. All minor traffic violations must be listed on this application. For the purpose of this sub-paragraph, an offense involving driving under the influence of an intoxicant (DUI/DWI) is a major traffic violation and is disqualifying if within 4 years preceding 1 October of the fiscal year in which the selection is held.

d. Drug Use. A felony conviction or any record of in-service drug abuse, regardless of the date, is disqualifying for MECP. A person, who is drug or alcohol dependent, abuses drugs or alcohol, whose pre-service abuse of drugs or alcohol indicates a proclivity to continue abuse in the service, or who has a record of trafficking in a prohibited drug is ineligible for MECP.

e. Physical Qualifications. Meet the requisite Pre-commissioning/Accession physical standards for appointment as a Nurse Corps (NC) officer prescribed in reference (d), Chapter 15 (revised June 2001). Selectees who fail to meet these minimum physical standards for appointment may be appointed upon the recommendation of the Chief, Bureau of Medicine and Surgery and waiver of the standard(s) by the Deputy Chief of Naval Personnel (DEPCHNAVPERS) acting for the Chief of Naval Personnel (CHNAVPERS). Applicants are strongly recommended to submit a pre-commissioning SF 88 or DD Form 2808 and SF 93 or DD Form 2807-1 within the last 12 months. Minimum physical fitness standards must be met at the time of application, while in training, and at commissioning. Failure to maintain physical standards will result in disenrollment from the program.

f. Performance record. Have a superb performance record as well as strong academic potential and be favorably recommended for appointment by the candidate’s commanding officer.

g. Education and Scholastic Aptitude

(1) Be a high school graduate. High School diplomas or equivalency certificates based upon military educational
experience and general equivalency diploma (GED) are acceptable if they are issued by the Department of Education of a State, Commonwealth, or Territory of the United States or the District of Columbia.

(3) Be able to complete any prerequisites and the requirements for a baccalaureate or entry level master’s degree in nursing. Register to begin school in the fall semester following the board where member was selected, and complete degree requirements within 36 consecutive months from the date of enrollment into the MECP. Full-time student status must be maintained throughout the calendar year, including fall, winter, spring, and summer sessions. Therefore, acceptance must be to a college or university that offers classes applicable to MECP for each of those sessions.

(4) Have a cumulative Grade Point Average (GPA) of 2.5 on a 4.0 scale. Have completed a minimum of 45 quarter, or 30 semester credit hours in undergraduate courses such as English, mathematics, psychology, sociology, chemistry, biology, anatomy, physiology, nutrition and have them accepted for transfer into the nursing program to which applying. Credit hours may be a combination of traditional classroom courses, College Level Entry Program (CLEP) credit, on-line or distance learning, and military training credits, provided that the school applied to accepts the non-traditional credits.

(5) Beginning with the FY-04 MECP Board, Scholastic Aptitude Test (SAT) or American College Test (ACT) will be required and only results from tests taken within the past 3 years from application due date will be accepted. A minimum score of 1000 SAT (with minimum scores of 500 math and 500 verbal) or 42 ACT (with minimum scores of 21 math and 21 English) is required.

h. Marital status and number of dependents. No restrictions.

Individuals will not be allowed to start their degrees during the spring or summer semesters. Some schools may not formally accept students into their program until certain criteria have been met. Payment of the Selective Reenlistment Bonus (SRB) is not authorized for selectees who reenlist for the purpose of meeting the obligated service requirement. If the selectee is entitled to an Enlistment Bonus or SRB, the selectee’s commanding officer must counsel the selectee individually per Department of Defense Financial Management Regulations (DOD 7000.14-R Volume 7A, July 96) Chapter 9, concerning suspension of entitlement. The commanding officer must also ensure a page 13 entry is signed acknowledging that the entitlement for a bonus will be reinstated and paid on a pro-rata basis if the member is not commissioned and returns to enlisted status in the same bonus skill rating. Upon execution of an extension, the following entry shall be made on page 1A in the service record: “Reason for extension: Training (MECP). I understand that upon admission to a college/university under this program, this extension becomes binding and may not thereafter be cancelled except as provided in the MILPERSMAN.”
e. MECP students will maintain their enlisted status and be eligible for advancement in rating under the Navy advancement system. Their Armed Forces Identification Card, DD 2N (ACT) will reflect the enlisted paygrade currently held.

f. MECP students may not use Navy-sponsored tuition assistance to pay for their tuition but may seek financial assistance from other sources including the Veteran’s Education Assistance Program (VEAP), the Admiral Boorda scholarship, or the Montgomery GI Bill (MGIB), if eligible.

g. Applications of selectees will be kept by Naval Medical Education and Training Command (NAVMEDEDTRACOM Code OG3) and become part of the selectee’s academic file. Non-selectee applications will not be returned to the applicant.

h. Disenrollment from MECP will be the determination of Chief of Naval Operations (N131M5), based on the recommendation of Commander, NAVMEDEDTRACOM. Reasons for disenrollment may include unsatisfactory academic performance, inability to maintain commissioning physical fitness/body fat standards, or for other reasons of unsuitability. Disenrollees shall be made available for assignment to duty in their current paygrade and rating and shall complete the terms of their enlistment. The periods served at the college/university shall count as shore duty.

i. MECP students are not required to have an annual physical, but must pass the Physical Readiness Test as required by reference (a). Further, the commanding officer or officer in charge of the unit to which the student is assigned for administrative purposes is responsible for ensuring that each student completes the Risk Factor Screening/Physical Readiness Test Results (NAVPERS 6110/2) for each biannual test cycle.

14. Action

a. Commander, NAVMEDEDTRACOM will report to the Chief of Naval Operations (N131M5) and the Bureau of Medicine and Surgery, BUMED (M131), a minimum of twice per year, the names, last four digits of their social security numbers, administrative commands to which assigned, and expected graduation dates of all candidates. For continuity and facilitation for completion of commissioning documents, a copy of the report will be forwarded to COMNAVPERSCOM (PERS-4415V).
b. Commanding officers, Command Master Chiefs, Career Counselors, Education Service Officers, and Navy College for Achievement Advisors will ensure widest issuance of information regarding eligibility requirements and encourage eligible, interested, and qualified personnel to apply.

Chapter 6

MEDICAL SERVICE CORPS IN-SERVICE PROCUREMENT (MSC IPP)
PROGRAM

1. This chapter has completely been revised and should be reviewed in its entirety.

2. References

   (a) SECNAVINST 1920.6B (NOTAL)
   (b) OPNAVINST 6110.1F
   (c) MILPERSMAN 1100-010

3. Program Information

   a. The Medical Service Corps In-service Procurement Program, for Health Care Administration (HCA) Physician Assistant (PA), Radiation Health Officer (RHO), Environmental Health Officer (EHO), Industrial Health Officer (IHO), Entomology, and Pharmacy provides a pathway to an officer commission for career motivated active duty enlisted personnel who meet the eligibility criteria. Some of these programs provide opportunities to complete either a baccalaureate or master’s degree.

   b. MSC IPP is available to members of the Regular Navy or Naval Reserve, Marine Corps, or Marine Corps Reserve on active duty, including Training and Administration of the Reserve (TAR), serving in any rating or Military Occupational Specialty (MOS), in paygrades E-5 through E-9 at the time of application (paygrade is not waiverable). Inactive Ready Reserves, Reservists on Temporary Active Duty for Special Work (ADSW), One, Two, or Three-Year Recalls, and Canvasser Recruiters are not eligible for this program.

   c. RHO IPP is available only for E-5 to E-9 active duty enlisted Radiation Health Technicians, Nuclear Medicine Technologists, Submarine Independent Duty Corpsmen, and Biomedical Technologists.

   d. EHO, IHO, and Entomology IPP is available only for E-5 to E-9 active duty enlisted Preventive Medicine Technicians and Independent Duty Corpsmen.

   e. Pharmacy IPP is available only for E-5 to E-9 active duty enlisted Pharmacy Technicians.

   f. A NAVADMIN will announce the specific disciplines (fields of study) being offered for that fiscal year.
g. Candidates for the HCA, RHO, EHO, IHO, Entomology, and Pharmacy IPP must possess a qualifying degree as described below. All applicants who have completed a bachelor’s degree must have a GRE or GMAT score. Selectees with qualifying degrees will receive direct appointments to the Medical Service Corps, in a paygrade commensurate with education level and degree concentration. Selectees who are going on to complete an appropriate degree will be commissioned upon completion of their degree.

h. Candidates for PA must meet acceptance requirements to the PA program specified in the current NAVADMIN. Upon graduation from the PA Program, PA selectees will receive appointments as Ensign, Medical Service Corps, U.S. Naval Reserve.

i. The conversion of Chief Warrant Officer Physician Assistants to Medical Service Corps Physician Assistants will be handled on a case by case basis.

j. Personnel selected for any of these programs who require training are provided between 24 to 48 months to complete their degree (dependent upon the program) with benefits that include tuition, mandatory fees, book allowance, full pay and allowances for their enlisted paygrades and are eligible for advancement while in college. It is highly recommended that all requirements for the next advancement cycle be completed prior to detaching from present command. Entitlement to any Selective Reenlistment Bonus (SRB) is suspended upon application to any officer accession program. If not selected, entitlement is restored. Following degree completion, selectees will be commissioned as officers in the Medical Service Corps and attend Officer Indoctrination School (OIS) at Newport, RI.

k. Upon selection, selectees will be required to coordinate closely with Commander, Naval Medical Education and Training Command (NMETC). Ideally, applicants should get acceptance to NROTC-affiliated University. In general, selectees will begin their education programs in the fall semester of the year following selection. Applicants are urged to contact Commander, NMETC, Officer Graduate Programs, Code (OG3) at (301) 295-2289/0925, DSN 295 for guidance and processing of packages.

4. Basic Eligibility Requirements

a. U.S. citizenship is required and cannot be waived. Certified copy of birth certificate is required.

Enclosure (1)
b. Age requirement. Applicants must not have reached their 35th birthday by time of initial appointment and commissioning. The annual NAVADMIN will specify if any age waivers will be authorized. Age waiver, when authorized, allow applicants to be commissioned up through age of 39.

c. Moral character and conduct. Applicants must be of good moral character and have no courts-martial conviction or civilian felony conviction. Have no conviction by civil court for misdemeanors (except minor traffic violations) during the 3 years preceding application for the program. For the purpose of this sub-paragraph, an offense involving driving under the influence of an intoxicant (DUI/DWI) is a major traffic violation and is disqualifying if within the 3 years preceding application for the program. Prior service drug use is not an immediate disqualifier, however, any substantiated drug use (a felony conviction or any record of in-service drug abuse, regardless of the date) or alcohol abuse will result in disqualification.

d. Obligated Training. Applicants under obligated training require a waiver from their Enlisted Community Manager.

e. Meet the requisite Pre-commissioning/Accession physical standards for appointment as an MSC officer prescribed by the Manual of the Medical Department, Chapter 15 (revised June 2001). Selectees who fail to meet these minimum physical standards for appointment may be appointed upon the recommendation of the Chief, Bureau of Medicine and Surgery and waiver of the standard(s) by the Deputy Chief of Naval Personnel (DEPCHNAVPERS) acting for the Chief of Naval Personnel (CHNAVPERS). Applicants are strongly recommended to submit a pre-commissioning SF 88 or DD Form 2808 and SF 93 or DD Form 2807-1 within the last 12 months. Applicants must meet the minimum physical fitness standards.

f. The Electronic Personnel Security Questionnaire (SF 86) is required for all applicants who do not possess a current ENTNAC or a NAC. The Command Security Manager should assist applicants in determining whether the appropriate agency check is on file with DONCAF. Applicants who do not have either a valid ENTNAC or NAC must include a completed SF 86 with the Officer Programs Application.

g. Be favorably recommended for appointment by the candidate’s commanding officer.

h. All applicants who have completed a bachelor’s degree must have a GRE or GMAT score.

Applicants are to submit their applications with all academic coursework completed. Applications must be received by NMETC (date announced by NAVADMIN) for the application to be eligible for board consideration. Subsequent to the package submission due date, applications will be screened for academic eligibility by the degree granting institution. Official and SMART transcripts are required by the degree granting institution. SMART transcripts may not correlate to transferable college credit and shall be accepted only with approval of the degree granting institution. Introductory courses or 100 level courses will be reviewed by the degree granting institution to determine if the course is transferable. Applicants are urged to first consult their academic program advisor if they have questions regarding the level of transferable coursework.

(b). The MSC OCM (N131M) shall maintain close coordination of the academic review process with BUMED, NMETC, and the Interservice Physician Assistant Program. The Head, Officer Personnel Plans and Policy Branch, Deputy Chief of Naval Operations (Manpower & Personnel) (CNO (N131)) is the waiver and final authority pertaining to any question regarding academic pre-screening decisions, academic eligibility, and final board eligibility.

3. Definitions
   a. Active duty - members of the U.S. Navy and Naval Reserve on continuous active duty, including Training and Administration of the Reserve (TAR) and General Recall personnel.
   b. Inactive duty - members of the U.S. Naval Reserve Ready Reserve assigned to a drilling unit (pay or non-pay), including members on ADT, AT, ADSW, OYR, PSRC, and CANREC.

4. Program Information
   a. The Limited Duty Officer (LDO) and Chief Warrant Officer (CWO) programs provide commissioning opportunities to qualified senior enlisted personnel (and Chief Warrant Officers). Chief Petty Officers (E-7 through E-9), E-6 personnel who are selection board eligible for E-7, and Chief Warrant Officers (applying for LTJG) may qualify for these programs. The LDO and CWO Programs are open to both active duty and Selected Reserve (SELRES)
personnel. Qualified personnel may apply for both LDO and CWO simultaneously. A baccalaureate degree is not required, however, it is encouraged. Leadership ability, military qualifications, and technical expertise remain the key factors leading to selection.

(1) Active duty personnel apply under the Active Duty LDO/CWO Program to Commander, Navy Personnel Command (PERS-801G) via their commanding officer.

(2) Inactive duty personnel apply under the Inactive Duty LDO/CWO Program to Commander, Navy Personnel Command (PERS-91C) via their unit Commanding officer.

b. LDOs are technically oriented officers who perform duties limited to specific occupational fields and require strong managerial skills. CWOs are technical specialists who perform duties requiring extensive knowledge and skills of a specific occupational field at a level beyond what is normally expected of a Master Chief Petty Officer.

5. Applicability. The LDO/CWO programs apply to CWO and senior enlisted personnel in the following categories:

a. Active duty enlisted personnel may seek appointment to commissioned officer status via the Active Duty LDO/CWO Program. TAR personnel and Naval Reservists on General Recall who are selected under the Active Duty LDO/CWO Programs will receive appointments in the U.S. Navy. These personnel will be honorably discharged from their enlistment in the Naval Reserve and concurrently reenlist in the Regular Navy before being appointed as a temporary LDO.

b. Active duty CWOs may also seek appointment to LDO via the Active Duty LDO program.

c. Fleet Reserve personnel on active duty must reenlist in the Regular Navy to become eligible to apply for the Active Duty CWO program. Authority to reenlist Fleet Reserve personnel on active duty must be requested from Commander, Navy Personnel Command (PERS-812).

d. Students enrolled in other officer accession programs are not eligible to apply for appointment under the LDO/CWO programs. If applying for the LDO or CWO program and after the application is submitted the service member is selected for other officer accession program, the individual must inform Commander, Navy Personnel Command (PERS-801G or PERS-91C) in writing. If selected for a commission under the LDO or CWO programs, individuals will not be eligible to apply for other commissioning

Enclosure (1)
programs unless a formal declination has been filed with Commander, Navy Personnel Command (PERS-801G or PERS-91C, as appropriate).

e. Selected Reservists on Active Duty for Special Work (ADSW), One Year Recall (OYR), Presidential Selected Reserve Call-up (PSRC), or Canvasser Recruiter (CANREC) duty, may seek appointment to LDO or CWO via the Inactive Duty LDO or CWO programs. If selected, they will have their active duty status terminated and will receive permanent appointments in the Naval Reserve.

(1) Selected Reservists selected for an Inactive Duty LDO or CWO appointment assigned to Presidential Selected Reserve Call-up (PSRC) must have gaining command or theater commander re-validation of their assignments based on the newly commissioned grade. If this validation is approved, they will remain on active duty. If assignment in their newly commissioned status cannot be validated, their active duty status will be terminated.

(2) Naval Reserve Canvasser Recruiters appointed to LDO or CWO via the Inactive Duty LDO/CWO Programs will have their active duty status terminated and receive permanent appointments in the Naval Reserve.

6. Eligibility Requirements common to both Active Duty and Inactive Duty LDO and CWO Programs

a. Service requirement:

(1) Active duty applicants must be serving on active duty at the time application is made, and if selected they must remain on active duty until the appointment is tendered.

(2) Inactive duty applicants must have been serving in a drilling unit (pay or non-pay) of the Ready Reserve for at least 1 year at the time application is made, and if selected, they must remain in a drill status until the appointment is tendered. Members who were serving under Regular Navy or TAR enlistment, and who enlist in the Ready Reserve with assignment to a drilling unit (pay or non-pay) within 90 days following release from active duty do not need to complete the prescribed 1 year time period in a drilling unit.

b. U.S. citizenship is required and cannot be waived.

c. Must be of good moral character and have no record of disciplinary action under Article 15, Uniform Code of Military Justice, no courts martial conviction or civilian felony conviction, or conviction by a civil court for misdemeanors.

a. Be serving as a Petty Officer First Class (E-6) or Chief Petty Officer (E-7 through E-9). An E-6 must have served in that capacity for at least 1 year as of 1 October of the year application is made. Such service shall be computed from the time-in-rate (TIR) date for an E-6. If broken service is involved, a PO1 must have served a total of at least 1 year as an E-6 as of 1 October of the year application is made.

b. E-6 applicants must complete all eligibility requirements for E-7 (except TIR and LTC) and must successfully compete in the annual Navy-wide examination for advancement to Chief Petty Officer, receiving a final multiple equal to, or greater than, the minimum final multiple for E-7 selection board eligibility. Personnel accepted to the LDO program attend leadership training via the LDO/CWO Officer Indoctrination School. Therefore Leadership Training Continuum is not required for E-6 taking the E-7 exam for the express purpose of applying for LDO. E-6 applicants must forward a copy of their most current examination profile sheet with their application. An E-6 is exempt from the requirements of this subparagraph when notification has been received by the commanding officer that the individual is a

In computing the qualifying service eligibility requirement for Ready Reservists, constructive time cannot be credited.

(3) Both active duty and inactive duty Chief Petty Officers and Senior Chief Petty Officers with not more than 16 years of active duty or total qualifying federal service respectively may apply for both the LDO and CWO programs in the same application, but only one designator for each program may be requested.

d. CWO eligibility for the Active Duty and Inactive Duty (LTJG) LDO Program.

(1) Be serving as a Chief Warrant Officer.

(2) If applying for LDO (LTJG), CWOs must have completed at least 3 years of active duty as a CWO and no more than 19 years of total active service immediately preceding 1 October of the year application is made. Applicants are ineligible to apply if they are in a one-time failure to select (1x FOS) status as a CWO as of the convening date of the boards.

8. Enlisted Eligibility Requirements for the Active Duty and Inactive Duty CWO Program. In addition to the eligibility requirements listed in paragraph 5, CWO applicants must also meet the following requirements:

a. Be a Chief Petty Officer (E-7 through E-9), including E-6 personnel, when notification has been received by the commanding
officer that the individual is a selectee for Chief Petty Officer or that advancement to Chief Petty Officer has been authorized, and serving on active duty or as a member of the Ready Reserve in a drilling unit (pay or non-pay) for inactive duty applicants.

b. Active Time in Service and inactive duty total qualifying Federal Service requirements:

(1) Active duty personnel must have completed at least 12, but not more than 24 years of active naval service (day-for-day) exclusive of Active Duty for Training (ADT) in the Naval, Marine Corps, or Coast Guard Reserve as of 1 October of the year application is made.

(2) Inactive duty personnel must have completed at least 12, but not more than 24 years of total qualifying Federal service as of 1 October of the year application is made. Total qualifying Federal service for the purpose of this instruction is defined in Title 10, U.S.C., Section 12732 as time served with a component of the naval service. In computing the qualifying service eligibility requirement for Ready Reservists, constructive time cannot be credited.

(3) Active duty and inactive duty personnel in paygrade E-9, who have completed at least 2 years TIR as of 1 October of the year in which the board convenes, shall be appointed to CWO3. Example: If E9 applies for FY-03 board and has 2 years TIR on 1 October 2002, the service member shall be appointed to CWO3. Such service shall be computed from the TIR date for advancement to Master Chief Petty Officer.

a. Active and inactive duty

(1) Applicants must fill out the Officer Programs Application form and submit it via their chain of command. SEE APPENDIX F FOR MORE DETAIL ON APPLICATION.

Commander, Navy Personnel Command must receive applications as follows:

(a) Active duty applications for LDO and CWO must be forwarded to Navy Personnel Command (PERS-801G) and postmarked not later than date announced in annual NAVADMIN the year in which application is made. Addenda, in standard naval letter format, must be forwarded (via applicant’s commanding officer) postmarked no later than date announced in annual NAVADMIN. Actual dates may change via annual NAVADMIN announcement of
LDO/CWO program normally released in March for active duty and June for inactive duty.

(b) Inactive duty applications for LDO and CWO must be forwarded to Navy Personnel Command (PERS-91C) postmarked not later than 1 December of the year in which application is made. Addenda, in standard naval letter format, must be forwarded (via applicant’s commanding officer) and be received no later than 1 April (the year the board is held).

(2) Selection board convening dates

(a) The active duty selection board will convene at Navy Personnel Command annually to consider applicants for the active duty LDO/CWO programs.

(b) The inactive duty selection board will convene at Navy Personnel Command annually to consider applicants for the inactive duty LDO/CWO programs.

b. LDO/CWO designators and categories. LDO and CWO designators are designed to provide positive identification of surface, submarine, and aviation warfare, general series, and staff corps associated personnel, and to identify a broad occupational field or technical area. The following describes the different classifications within designators and their associated warfare, general series, or staff corps fields:

(1) LDOs (61XX) or CWOs (71XX) are officers designated for duty indicated by their specialty in the operations, maintenance, training, or support of naval surface warfare.

(2) LDOs (62XX) or CWOs (72XX) are officers designated for duty indicated by their specialty in the operations, maintenance, training, or support of naval submarine warfare.

(3) LDOs (63XX) or CWOs (73XX) are officers designated for duty indicated by their specialty in the operations, maintenance, training, or support of naval aviation warfare.

(4) LDOs (64XX) or CWOs (74XX) are officers designated for duty indicated by their specialty in the operations, maintenance, training, or support of all other elements of naval warfare.

(5) LDOs (65XX) or CWOs (75XX) are officers designated for duty within the respective staff corps of the Navy indicated by their specialty.
c. Designator Application.

(1) Surface and submarine warfare communities require LDOs and CWOs with the same or similar occupational qualifications. Candidates need not possess a particular warfare qualification to apply for an LDO/CWO designator in that particular community. Obviously, not every enlisted rating is competitively qualified for designations within different warfare communities, and application should not be made for an inappropriate category, e.g., a Gunners Mate Guns (GMG) should not normally apply for 726X, Ordnance Technician (submarine), but rather should apply for 716X, Ordnance Technician (surface).

(2) Eligible candidates may apply for up to two designators which may be in different occupational fields e.g., Ordnance Technician (716X) and Electronics Technician (718X); the same occupational field, but different warfare communities e.g., Ordnance Technician (Surface 716X) and Ordnance Technician (Submarine 726X); or a combination of the two e.g., Ordnance Technician (Submarine 726X) and Electronics Technician (Surface 718X). A candidate may not apply for dual designators as a first and second choice e.g., first choice 718X/728X, second choice, 716X/726X. Applications submitted with dual designators will be returned for the candidate to resubmit in compliance with the above designator restrictions. If a candidate feels qualified to compete in only one designator, only that designator should be requested. Eligible candidates requesting consideration for both LDO and CWO may apply for only one designator under each program. Candidates may apply for any designator they are qualified to perform.

(3) CWOs in the Nuclear Occupational Field and nuclear-trained enlisted personnel may apply only for LDO or CWO in the nuclear field 640X or 740X.

(4) LDO Administration (641X) and CWO Ship's Clerk (741X) selectees who are enlisted submarine-qualified will be detailed primarily to billets (coded SV1) in direct support of submarine warfare.

(5) Only applicants for CWO who are technical specialists with extensive knowledge and skills in the field of diving and have earned First Class (NEC 5342) or Saturation (NEC 5311) may apply for Diving Warrant Officer designator 720X. Applicants must desire to remain in diving-related billets and will be detailed to surface and submarine-related diving billets.

(6) If selected for LDO or CWO, any request for change of designator (or reversion to enlisted status for officers with
(7) Selected Reservists are often uniquely qualified by education and/or civilian occupation to apply for designators outside the normal career path of their current rating. Selected Reservists who are in this category are encouraged to apply for designator(s) that closely align with either their civilian and/or military occupational specialty(ies).

10. Active Duty LDO Appointment and Service Obligation. Selectees will be appointed as LDOs only if they continue to meet all eligibility standards as specified previously. Appointments to LDO will be made in the grades as indicated below:

   a. CWOs selected for LDO will be appointed in the permanent grade of LTJG (02E) in the U.S. Navy.

   NOTE: For the active duty CWO applying for appointment to LDO, the following statement shall be included as the first paragraph in the Applicant's Personal Statement:

   "I, (NAME)______, if selected for permanent appointment under the Active Duty LDO Program, do agree to remain on active duty for a period of 4 years subsequent to acceptance of such appointment. I understand that if I decline to accept such permanent appointment, I will remain on active duty in my permanent warrant officer grade."

   b. Enlisted personnel selected for LDO will be appointed in the temporary grade of ENS (01E) in the U.S. Navy. TAR and Naval Reservists on active duty must reenlist USN prior to accepting appointment.

   c. Each selectee will be assigned a date of rank in the grade to which appointed as prescribed by CNO (N131)/PERS-801G. All original appointments become effective for pay purposes upon acceptance, but not earlier than the date of rank assigned.

   d. Each selectee must agree to remain on active duty as an LDO for a period of 4 years from the date of acceptance of appointment and may be required to transfer from current duty location.

   NOTE: For active duty enlisted applying for appointment to LDO, the following statement shall be included as first paragraph in the Applicant's Personal Statement:

   "I, (NAME)______, if selected for appointment under the Active Duty LDO Program, do agree to remain on active duty for a period
of 4 years subsequent to acceptance of such appointment. Following my acceptance of such temporary appointment as an LDO, I understand that if and when I am promoted to the grade of lieutenant as an LDO, I may be offered a permanent appointment as an LDO under Section 5589 of 10 U.S.C., and if I decline to accept such permanent appointment as an LDO, my temporary appointment will be terminated under Section 5596 of 10 U.S.C., and I will be reverted to my permanent enlisted grade."

e. If, before an appointment is effected, information is received which may render a selectee no longer qualified for an appointment (e.g., NJP, failure to meet satisfactory-medium or higher physical fitness standards, civil conviction, alcohol abuse, drug use, loss of confidence in the member's abilities as demonstrated by poor performance of duty, and/or removal of the commanding officer's recommendation, etc.), such information will be forwarded to PERS-801G immediately. This information is required to be routed via the selectee for comment, with a request that the selectee's appointment either be, (1) effected, (2) delayed, or (3) rescinded. Justification must be included with the request for disposition of appointment.

11. Active Duty CWO Appointment and Service Obligation.
Selectees will be appointed as CWO only if they continue to meet all eligibility standards as specified previously. Appointments to CWO will be made in the grades as indicated below:

a. The appointment of each selectee will be to the permanent grade of CWO2, except those active duty personnel in paygrade E-9, who have completed at least 2 years TIR as of 1 October of the year in which the board convenes, shall be appointed CWO3. Example: If E9 applies for FY-03 board and has 2 years TIR on 1 October 2002, the service member shall be appointed to CWO3. Such service shall be computed from the TIR date for advancement to Master Chief Petty Officer.

TARs and Naval Reservists on active duty must reenlist USN prior to accepting the appointment. Appointees will be honorably discharged from their enlisted status for convenience of the government to accept a permanent appointment to officer grade.

b. Each selectee will be assigned a date of rank in the grade to which appointed as prescribed by CNO (M&P) (N131)/PERS-801G. All original appointments become effective for pay purposes upon acceptance, but not earlier than the date of rank assigned.

c. Each selectee must agree to remain on active duty for a period of 4 years from the date of acceptance of appointment and may be required to transfer from current duty location.
NOTE: For active duty enlisted applying for appointment to CWO, the following statement shall be included as first paragraph in Applicant's Personal Statement:

"I, (NAME)________, if selected for appointment under the Active Duty CWO Program, do agree to remain on active duty for a period of 4 years subsequent to acceptance of such appointment."

d. If, before an appointment is effected, information is received which may render a selectee no longer qualified for an appointment (e.g., NJP, failure to meet satisfactory-medium or higher physical fitness standards, civil conviction, alcohol abuse, drug use, loss of confidence in the member's abilities as demonstrated by poor performance of duty, and/or removal of the commanding officer's recommendation, etc.), such information will be forwarded to PERS-801G immediately. This information is required to be routed via the selectee for comment, with a request that the selectee's appointment either be, (1) effected, (2) delayed, or (3) rescinded. Justification must be included with the request for disposition of appointment.

12. Inactive Duty LDO/CWO Appointment and Service Obligation. Selectees will be appointed as LDOs only if they continue to meet all eligibility standards as specified previously. Appointments to LDO will be made in the grades as indicated below:

a. Canvasser Recruiters and members on active duty (ADSW or 1 year recall) will be released from active duty and issued a permanent appointment in the Naval Reserve.

b. Naval Reservists who are assigned to Presidential Selected Reserve Call-up (PSRC) or 1-year to 3-year Recall (mobilization) on ADSW orders may seek appointment to LDO/CWO via the Inactive Duty LDO/CWO Program. Naval Reservists who are selected under the Inactive Duty LDO/CWO Programs must have gaining command or theater commander revalidation of their assignment based on the commissioned grade. If their assignment in their newly commissioned grade cannot be validated, their active duty status will be terminated. In any case, they will receive permanent appointments in the Naval Reserve.

c. Each selectee will be assigned a date of rank in the grade to which appointed as prescribed by PERS-91C. All original appointments become effective for pay purposes upon acceptance, but not earlier than the date of rank assigned.

d. Selectees must continue serving in the Ready Reserve until the appointment is tendered. Upon acceptance, each selectee must agree to remain in the Ready Reserve for a period of 3 years from the date of acceptance of appointment.
NOTE: As the first paragraph in Applicant’s Personal Statement (page 2-14), member must sign and have the following statement witnessed by an E-7 or above: “I, (NAME)_____, if selected for appointment under the Naval Reserve LDO/CWO Program, do agree to accept such appointment, and further agree to remain in the ready reserve for a period of 3 years subsequent to acceptance of such appointment. I understand that, if selected for appointment to either the Naval Reserve LDO or CWO program, I will be honorably discharged from the Enlisted status for the convenience of the government and will be given a permanent appointment as an LDO or CWO. I, (NAME)_____, certify I have maintained satisfactory drill attendance while serving with a drilling unit of the Naval Reserve of at least 1 year as of 1 October (year in which application is made).”

e. If, before an appointment is effected, information is received which may render a selectee no longer qualified for an appointment (e.g., NJP, failure to meet satisfactory-medium or higher physical fitness standards, civil conviction, alcohol abuse, drug use, loss of confidence in the member's abilities as demonstrated by poor performance of duty, and/or removal of the commanding officer's recommendation, etc.), such information will be forwarded to PERS-801G immediately. This information is required to be routed via the selectee for comment, with a request that the selectee's appointment either be, (1) effected, (2) delayed, or (3) rescinded. Justification must be included with the request for disposition of appointment.

f. Appointments to LDO will be made in the grades as indicated:

(1) CWOs selected for LDO will be appointed in the permanent grade of LTJG (02) in the Naval Reserve. CWOs selected for LDO with at least 4 years and 1 day of cumulative active duty service to include (ADSW/AT) will be appointed in the permanent grade of LTJG (02E).

(2) Enlisted personnel selected for LDO will be appointed in the permanent grade of ensign (01) in the Naval Reserve. Enlisted personnel selected for LDO with more than 4 years of active duty service will be appointed in the permanent grade of ensign (01E).

(3) Appointees will be honorably discharged from their enlisted status for the convenience of the government to accept permanent appointment to officer grade.

g. Appointments to CWO will be made in the grades as indicated:
(1) Selectees will be appointed to permanent grade of CWO2 in the Naval Reserve, except that inactive duty personnel in paygrade E-9, who have completed at least 2 years TIR as of 1 October of the year in which the board convenes, shall be appointed CWO3. Example: If E9 applies for FY-03 board and has 2 years TIR on 1 October 2002, the service member shall be appointed CWO3. Such service shall be computed from the TIR date for advancement to Master Chief Petty Officer.

(2) Appointees will be honorably discharged from their enlisted status for the convenience of the government to accept permanent appointment to officer grade.

(3) Canvasser Recruiters and members on active duty (ADSW or 1 year recall) will be released from active duty and issued a permanent appointment in the Naval Reserve.

13. Information and Guidance for Active Duty and Inactive Duty Commanding Officers. Upon receipt of an application the commanding officer will:

a. Appoint a panel of commissioned officers to interview the applicant and review applicant's qualifications for the program. Use the Interview’s Appraisal Sheet (NAVCRUIT 1100/3) in Chapter 2.

b. Provide a recommendation using the Commanding Officer's Recommendation section of OPNAV 1420/1 form included in the Officer Programs Application ensuring the applicant meets all eligibility criteria. Identify and make recommendations in cases where waivers are required.

c. Commanding officer's recommendation should include information concerning the member’s military and professional performance, degree and scope of technical competence and supervisory ability in present rating, potential to perform as a commissioned officer, and ability to accomplish officer technical management and specialist functions of the program(s) and category(ies) requested.

d. Only those individuals who have clearly demonstrated sustained superior performance, outstanding leadership abilities, and the potential to serve as commissioned officers should be recommended for these programs. A candidate must receive a favorable endorsement from the commanding officer (unit CO for SELRES personnel) to be eligible to apply for these programs.

e. If a commanding officer feels an individual is not qualified for LDO/CWO, the package should not be forwarded. Individuals not receiving a favorable endorsement are to be
counseled on what they need to do to improve their records to ultimately receive a favorable endorsement.

f. If the applicant is transferred prior to submitting the application, a letter of recommendation from the applicant's last commanding officer will be forwarded to the new commanding officer for inclusion with the application when submitted.

g. Forward applications (in specified postal format below, all CAPS, no punctuation except a hyphen in the zip code) to:

Active duty: COMMANDER
NAVY PERSONNEL COMMAND (PERS-801G)
5720 INTEGRITY DRIVE
MILLINGTON TN 38055-8010

Inactive duty: COMMANDER

MILLINGTON TN 38055-9200

14. Information and Guidance for Applicant Interviews

a. A panel consisting of three officers is required. Use the Interviewer's Appraisal Forms (NAVCRUIT 1100/3) provided in Chapter 2, Officer Programs Application. Only the appraisal forms provided in Chapter 2 will be accepted.

b. Panel of three officers will conduct interviews. If this is not possible, interviews can be conducted separately. The senior member of the interview panel should be a lieutenant commander or above. The officer(s) conducting the interviews should be in paygrades 02E (O2 for inactive duty)/CWO2 (with 2 years TIG) and above. Every effort will be made to ensure at least one board member is an LDO or CWO, of the appropriate grade. The interviewing board should, whenever possible, be composed of officers who are not in the applicant's command or at least not directly in the chain of command.

15. Medical Examination Information

A Farnsworth Lantern (FALANT) test must be administered to determine color vision for specific designators listed in paragraph 6k. Defective color vision is disqualifying for those designators. No waivers will be considered.

16. Administrative Information

a. Change of address. Applicants must notify NAVPERSCOM (PERS-801G), active duty programs, or (PERS-91C), inactive duty programs, in writing of any change in mailing address. Members
must notify PERS-801G or PERS-91C if selected for another commissioning program or separated from the Navy.

b. Withdrawal of Application or Recommendation

(1) An applicant may withdraw from consideration any time prior to selection or acceptance of appointment. An applicant wishing to withdraw should notify NAVPERSCOM (PERS-801G for active duty or PERS-91C for inactive duty) of his/her desires by correspondence.

(2) A commanding officer shall immediately inform NAVPERSCOM (PERS-801G/PERS-91C, as appropriate), and the applicant, if they remove his/her LDO or CWO application from the selection board.

c. Advancement in Rating: Enlisted members selected for temporary or permanent officer or warrant appointments to be executed on dates after the convening dates of E-7 and E-8/E-9 selection boards are ineligible for further advancement by those boards unless formal, written declination is received by NAVPERSCOM (PERS-801G or PERS-91C) before the convening dates of the enlisted selection boards. Active Duty Temporary LDOs may still be advanced after appointment under the provisions of paragraph 723 of the Manual of Advancement (BUPERSINST 1430.16).

d. Selectees may not be discharged prior to normal expiration of enlistment and reenlistment, as prescribed by MILPERSMAN 1160-030 if their expiration of enlistment, including any extensions, is subsequent to the date of appointment.

e. Refer to OPNAVINST 1160.6A regarding eligibility for and payment of Selective Reenlistment Bonus in connection with appointment to LDO or CWO status.

f. Active duty selectees for LDO (Ensign) and CWO will be required to attend Officer Indoctrination School in Pensacola, FL. Attendance will normally occur enroute to the first duty station and normally not later than the end of the Fiscal Year of appointment/commission. Selectees to be assigned to the Department of Energy in Naval Reactors Representatives Offices are exempt form this requirement. Naval Reserve selectees for LDO (Ensign) and CWO are required to attend the Direct Commission Officer Course in Pensacola, FL.

SEAMAN TO ADMIRAL-21 (STA-21) PROGRAM

1. Purpose. To provide administrative guidance for the STA-21 program for enlisted personnel of the Regular Navy and the Naval Reserve including Training and Administration of the Reserve (TAR) and Selected Reserve (SELRES) who apply for this program.

2. Applicability. This program is open to enlisted personnel of all pay grades and ratings who meet eligibility requirements in paragraph 6 below. Since STA-21 replaces several previously available commissioning paths, including the Enlisted Commissioning Program (ECP), Seaman to Admiral (STA), Broadened Opportunity for Officer Selection and Training (BOOST), and enlisted applications to the NROTC Scholarship Program, this chapter should be reviewed in its entirety.

5. Background
   a. STA-21 is a commissioning program that provides an excellent opportunity for highly motivated active duty enlisted
personnel in the Navy or Naval Reserve, including Training and Administration of the Reserves (TAR), Selected Reserve (SELRES), and Navy Reservists on active duty. Excluded are those on active duty for training (ACDUTRA) to include annual training (AT), initial active duty for training (I-ACDUTRA), or Active Duty for Special Work (ADSW) to complete requirements for a baccalaureate degree and earn a commission in the Unrestricted Line (URL), Nurse Corps (NC), Supply Corps (SC), Civil Engineer Corps (CEC), or Special Duty Officer (Intelligence, Cryptology). Although the applicant’s history of fleet performance will receive consideration during the selection process, emphasis will also be placed on the identification of those applicants who possess both the academic and leadership potential necessary to become outstanding naval officers. STA-21 has three components:

(1) BOOST: A 3- or 6-month college preparation program located at Naval Education and Training Center (NETC), Newport, RI. A limited number of selected STA-21 participants will be chosen by Chief of Naval Education and Training (CNET) to attend BOOST to improve academic skills before attending the Naval Science Institute (NSI).

(2) NSI: A 9-week course of intensive officer preparation and indoctrination at NETC attended by all selectees en route to their university assignment.

(3) Full-time, year-round study for up to 36 months at an NROTC-affiliated university. All selectees will be ordered to an NROTC unit on a permanent change of station (PCS) basis, and may choose to enroll in either the NROTC host institution or one of its affiliated cross-town universities as listed in Appendix B. STA-21 officer candidates will participate in drills with their NROTC unit, attend the two Naval Science leadership courses, and are strongly recommended to hold leadership positions within the unit. STA-21 officer candidates do not participate in the NROTC midshipman cruises. They remain on campus to attend classes during summer academic sessions.

b. STA-21 students receive full pay and allowances for their enlisted pay grades and are eligible for advancement while participating in the program. To ensure study materials are available, all requirements for the next advancement exam should be completed prior to detaching from the present command. Entitlement to the Selective Reenlistment Bonus (SRB) is as specified in reference (a).
(1) All special duty assignment pays (SDAP) cease upon transfer to NSI. If designated for attendance at BOOST school prior to reporting to NSI, SDAP will cease upon transfer to BOOST.

(2) Some special pays may continue for those individuals selected for and participating in the STA-21 Special Warfare or Special Operations Option programs, if specific program qualifications are maintained as directed by the officer community managers (N131H and N131X respectively). Maintenance of certain naval special warfare and special operations skills enhances safety and is more cost effective than periodic retraining that is required when such skills lapse.

c. STA-21 students receive up to $10,000 per year, paid to the university by CNET to supplement costs of tuition, books, and fees (i.e., if tuition, fees, and book costs total $7,000, only $7,000 will be paid out by the STA-21 program; if tuition, fees and book costs total $13,000, the selectee must pay $3,000). The $10,000 is disbursed in increments by school term. Therefore students receive $4,000 for the Fall and Spring term and $2,000 for Summer term. Students attending quarter schools receive $2,500 per quarter. STA-21 students are not eligible for tuition assistance under the Navy's Tuition Assistance Program as specified in reference (b), nor are they eligible to use their Montgomery GI Bill (MGIB) educational benefits as specified in reference (c), nor are they eligible to use Veterans' Educational Assistance Program (VEAP) benefits.

d. Education. Section 1 provides an example of technical and non-technical degrees. Specific degree requirements for option programs are listed in section 2. Unless otherwise specified in section 2, selectees are strongly encouraged to pursue technical degree programs and are required to complete degree requirements in not more than 36 calendar months, attending school on a full-time, year-round basis. All STA-21 participants, except for Nurse Corps (NC) Option selectees, must complete two semester courses each of engineering-level calculus and calculus-based physics equivalent to 6 semester hours of each subject prior to graduation.

e. Following completion of NSI, all participants will enroll in college studies. Enrollment may begin as early as the summer semester following selection notification or later depending upon assigned reporting date and program option. Based upon college-level credits already earned by STA-21 participants, advanced academic standing may be granted at the
discretion of the individual university. Students so advanced will be expected to complete degree requirements in a proportionately reduced period of time.

f. Under the STA-21 Core Option, community selection occurs during the final year of academic study. Following graduation, participants enter the Unrestricted Line (URL), which includes communities of Aviation Warfare (Pilot or Naval Flight Officer (NFO)), Submarine Warfare, Surface Warfare, Special Operations, and Special Warfare. In addition to the Core Option, there are options available for entry into specific target communities upon selection to STA-21. Options include Nuclear (surface and submarine), Surface Warfare Officer (SWO), Pilot, NFO, Special Warfare, Special Operations, Civil Engineer Corps, Nurse Corps, Special Duty Officers (Intelligence or Cryptology), and Supply Corps. Sailors may submit applications for the STA-21 Core Option, one of the target group options, or the Core Option plus one target group option. Applicants may not apply for more than the STA-21 Core Option plus one target group option. Those desiring selection to a target group option are advised to also apply to the Core Option, if eligible, as an alternative that offers selection to other officer communities or even to the community of choice at a later time. Section 2 provides detailed information regarding STA-21 option programs.

g. STA-21 is available at the NROTC-affiliated universities listed in Appendix B. Applicants selected for the Nuclear or Nurse Corps (NC) Options will attend only those universities offering the Nuclear and/or NC Options as shown in Appendix B. CEC Option participants must complete an Accreditation Board for Engineering and Technology (ABET) engineering degree or National Architectural Accrediting Board (NAAB) architecture degree.

6. Eligibility Requirements

a. Be a citizen of the United States. No waivers.

b. Be recommended by the commanding officer as having good moral character, officer potential, and unquestionable loyalty to the United States.

c. Be serving on active duty in the U.S. Navy or Naval Reserve including TAR, or SELRES, and Navy Reservists on active duty except for those on ACDUTRA to include AT, ADSW, and I-ACDUTRA. Individual option programs may have additional requirements and specific restrictions. Refer to section 2 for community-specific information.

Enclosure (1)
d. Be a high school graduate. High school diploma or equivalency certificates based upon military education experience and General Equivalency Diploma (GED) test results are acceptable to meet the educational requirements if issued by the Department of Education of a State, Commonwealth, or Territory of the United States of America or the District of Columbia.

e. Be able to complete requirements for a baccalaureate degree in 36 months. Applicants are encouraged to accrue as many fully transferable semester hours of earned credit as possible before beginning STA-21. Credits obtained through regionally accredited colleges or universities or the Navy College Program for Afloat College Education (NCPACE) program are considered fully transferable. Many universities do not accept all transferable credits because of their individual policies governing transfer of credits. Non-traditional credits (military service and service school credits, College Level Examination Program (CLEP) courses, vocational/technical school credits, correspondence courses other than NCPACE, etc.) should be used to obtain advanced academic standing to the maximum extent permitted by the university in which enrolled. Normally, credits obtained from foreign institutions are accepted; however, again, not all are considered fully transferable. Navy College Office counselors should be contacted for educational counseling to include determination of which credits will transfer to specific universities.

f. Be able to complete degree requirements and be commissioned prior to 31st birthday. Waivers of this requirement may be considered understanding that specific age requirements for certain STA-21 option programs differ. These are addressed in section 2.

g. Maintain a cumulative grade point average (GPA) of 2.5 or better on a 4.0 scale while enrolled in STA-21. Certain STA-21 option programs may have different requirements and are addressed in section 2.

h. Have a certified copy of Scholastic Assessment Test (SAT) or ACT Assessment (ACT) test scores no older than 3 years from application due date. A minimum score of 1000 SAT (with minimum scores of 500 math and 500 verbal) or 41 ACT combined math/English (with minimum scores of 21 math and 20 English) is required. No waivers will be considered. Certain STA-21 option programs have more stringent requirements and are addressed in section 2.
i. Meet physical commissioning standards for appointment in the URL, CEC, SC, Special Duty Officer (Intelligence, Cryptology), or NC as prescribed in reference (d) and the physical fitness standards as prescribed in reference (e). Applicants must keep CNET (N79A5/STA-21) advised of any significant changes to physical status, e.g., broken bones, pregnancy, surgery, etc., which occur after the physical examination is completed.

j. Have no record of court-martial convictions or civilian felony convictions. Have no record of driving while intoxicated (DWI) or driving under the influence (DUI) within the 3 years preceding application due date. Have no record of disciplinary action under Article 15, Uniform Code of Military Justice (UCMJ), or conviction by civil court for misdemeanors (except minor offenses that impose a fine of $300 or less, exclusive of court charges) during the 3 years preceding application due date. Substantiated alcohol-or drug-related incidents while in an enlisted status are considered an aspect of an individual's performance and judgment and will be considered when assessing future leadership potential. Applicants who are alcohol dependent must have successfully completed the appropriate regimen of treatment and education per reference (f) and have remained alcohol free for the period of 3 years preceding application due date.

k. Maintain eligibility requirements of paragraph 6 during the application period and during participation in the program.

l. Have passed a Physical Fitness Assessment (PFA) Test taken within the year of application. Command should administer special PFA if needed to meet this requirement. A failing PFA is disqualifying for this program.

m. Have submitted all documentation listed in paragraph 7 (Application Procedures). Omission of documentation may be disqualifying for this program.

n. Students presently enrolled in other officer accession programs are not eligible.

o. Individuals who have already obtained their baccalaureate degree are not eligible for STA-21 and should apply directly for Officer Candidate School (OCS). OCS application procedures can be found in Chapter 4.
7. Application Procedures

a. The STA-21 application has two parts. The first part is completed on-line at www.sta-21.navy.mil. The second part is mailed to CNET (N79A5/STA-21) and is illustrated in section 3. Application information and blank forms, including the Commanding Officer’s Recommendation Form, Nomination Review Board Chairperson Recommendation Form, Interview Verification Form, and Interviewer’s Appraisal Sheets, are available for download on the web at www.sta-21.navy.mil. If web access is not available, sections 3 through 9 provide printed copies of application materials. Application must be submitted via the applicant’s commanding officer and be postmarked no later than 1 July of the application year to ensure complete screening and processing prior to convening of the selection board. Applications postmarked after 1 July will not be considered unless the commanding officer’s endorsement provides a compelling reason. Deployment, in and of itself, is not justification for late submission of an application.

b. Applications contain information crucial to the selection process. Each document required in the application presents information that is carefully weighed by the selection board to arrive at a final board score. Incomplete or missing documents will reduce an applicant’s competitiveness and in some cases may be disqualifying. Carefully read each of the following subparagraphs and section 3 to ensure submission of correct and complete documents. The CO’s endorsement, recommendation forms, and interview appraisal sheets should be placed on top of the applicant’s cover letter and the entire package secured with a binder clip in the upper left corner. Clam clips, paper clips, and staples should not be used. Documents printed in landscape should have the top of the page facing right. Do not place applications in document protectors, notebooks, spiral binding or report covers. All transcripts should be removed from their envelopes and marked as enclosures to the application. **Nuclear Option applicants must submit an original and one (1) copy of their application.** Applications must include the following in the order indicated:

1. STA-21 Application Cover Letter for consideration (section 3).

2. STA-21 Application Data Form (section 4) or submitted through website: www.sta-21.navy.mil. (Do not submit the STA-21 Data Form if an application is submitted via the website.)
(3) A personally composed and signed one-page typed statement presenting reasons for desiring STA-21 participation and the applicant’s professional/vocational intentions in a specific designator of the URL of the U.S. Navy. Comprehension of and motivation for a selected designator(s) of the URL are of significance to the selection board. (Exceptions: STA-21 CEC Option, STA-21 Supply Corps Option, STA-21 Special Duty Officer (Intelligence, Cryptology), and STA-21 Nurse Corps Option applicants should address specific desires for their selected target group option.) Include name, rate/rank, and SSN on the statement. Ensure the statement is signed and dated.

(4) Certified copies of the last five "observed" enlisted evaluations, if available. “Not-Observed” evaluations should be included for continuity purposes. Special evaluations are not required.

(5) Certified copies of SAT or ACT assessment scores from a test taken within 3 years of application due date. As it usually takes at least 4 to 6 weeks to obtain test results, early registration and testing are essential. It is the applicant’s responsibility to ensure that a certified copy of test results is included in the application package. Test results can be released directly from the testing agency by marking Release Code 0493 on the test registration form. For any previous testing, scores may be released from the testing agency by using an additional score release request form and indicating Release Code 0493. The applicant is responsible for ensuring CNET (N79A5/STA-21) receives the scores.

(6) Pilot and NFO Options only: Certified copy of Aviation Selection Test Battery (ASTB) scores.

(7) Certified copies of academic transcripts from each secondary (high) school, technical school, and college attended. A transcript combining credits from several schools is not sufficient. Transcripts must be legible and not altered in any way. Failure to disclose all academic records will result in disqualification. Final grade reports for courses in which the applicant is enrolled at the time of application will be accepted by mail or electronic facsimile (FAX) transmission until 30 July, if the application package was postmarked by 1 July. The CNET FAX number for STA-21 is commercial (850) 452-2406/DSN 922-2406. Note: If service record includes copies of these documents, the applicant's administrative office may certify them to be true copies. Applicant should include his/her transcripts with the application and forward directly to
CNET (N79A5/STA-21). No requirement exists for submission of official transcripts directly from the educational institution to CNET. Transcripts received by the applicant should be removed from their envelopes and labeled as enclosures to the application.

(8) Certified copy of GED test results issued by the Department of Education of a State, Commonwealth, or territory of the United States of America or the District of Columbia (if applicable).

(9) Certified copy of Sailor/Marine American Council on Education Registry Transcript (SMART). Note: Applicants should have their Administration office certify as true copies the SMART transcripts obtained from service record or downloaded from the Internet.

(10) Nuclear Option only. Applicant’s current photograph (color or black and white) taken within the year of application. Use Officer Submission Sheet, NAVPERS 1070/10, S/N 0106-LF-015-6500. Photograph will be approximately 4” wide x 5” high, full-length, three-quarter view, uncovered with left shoulder forward, against a contrasting background. Uniform will be dungarees or utility (short or long sleeves) for E-6 and below and khaki for E-7 and above. The applicant’s name and the date the photograph was taken must appear in the photograph.

(11) Additional documents such as award citations, qualifications, and letters of recommendation or appreciation. Copies of Page 4 and Page 7 of the member’s service record may be included as additional documentation. Applicants are encouraged to include other documents that demonstrate leadership qualities while involved in extracurricular activities/volunteer work. Sailors who are junior in the Navy may want to include awards and certificates earned in high school.

(12) Certified copy of PFA results from a test taken within the year of application.

(13) Nuclear Option only. Signed and dated Statement of Understanding, page 13 Administrative Remarks (section (10)). A copy should also be filed in candidate’s service record.

c. The commanding officer’s recommendation, composed of sections 5 and 6, is the single most important element of the application package. Due to the high value accorded the
endorsement, the following subparagraphs should be read in their entirety by the commanding officer. Upon receipt of an application, the commanding officer will:

(1) Appoint a board of three URL Navy officers (Lieutenant (0-3) or above) to interview and evaluate each applicant. All board members must read this Chapter prior to conducting the interview. Each board member must complete section 9, Interviewer's Appraisal Sheet (NAVCRUIT 1100/13), including the interviewer's opinion concerning the applicant's motivation and potential for a career as a naval officer, aptitude for advanced academic study, and personal maturity. As applicants for STA-21 will likely be top performers, the interviewers' opinions will have significant influence on the selection board. Although not stated on the form, board members shall annotate their rank, designator, and job title on their respective appraisal sheets. (Exception: CEC, NC, Special Duty Officer (Intelligence, Cryptology), and SC applicants should have at least one officer from their prospective community on the board. It is acceptable for all three board members to represent the applicant’s prospective officer community, but this is not required. Limited Duty Officers (LDOs) in the appropriate restricted line community may also serve as board members for applicants to the target group option community.)

(2) Personally interview each applicant.

(3) Although no physical exam is to accompany the STA-21 application, commanding officers should determine from the individual's medical record and interview whether the applicant appears to be physically qualified, as a preliminary screening. Most common disqualifying conditions for URL include: defective color vision, eyesight uncorrectable to 20/20, excessive refractive error, or applicant is out of height/weight body fat standards. Any color vision deficiency is disqualifying for a commission in the URL, but is not disqualifying for selection to the CEC, SC, Special Duty Officer (Intelligence, Cryptology), or NC Options. Applicants considering Pilot or NFO as their primary option are encouraged to complete a Student Naval Aviator physical prior to application to ensure they are physically qualified for aviation duty. Upon selection to the STA-21 Program, Bureau of Medicine and Surgery (BUMED) physical examination instructions will be sent to the selectees and alternates.

(4) Provide an endorsement section 5 to the applicant's letter that is preferably no more than one page in length.

Enclosure (1)
Complete the Recommendation Form, Section 6, and the Interview Verification Form, Section 8. In the endorsement, the commanding officer should:

(a) Make a recommendation. The commanding officer must recommend only those members who possess leadership potential, motivation for sustained outstanding performance as an officer, and the academic ability to complete a demanding college curriculum. Specifically cite accomplishments, contributions, and demonstrated leadership in bullet phrases. In the event multiple applications for the same option program or Core Program are submitted from a single command, they must be rank ordered (e.g., #1 of 3) by the commanding officer. In the event of multiple applications for different options or Core Program, rank separately within the option (e.g., #3 of 12 SWO candidates). If the applicant is not recommended, state so and the reason therefore.

(b) Provide, as enclosures, the board's completed, typed, and signed Interviewer's Appraisal Sheets. An appraisal sheet is not complete unless it has rank, designator, and job title of the appraiser. NOTE: Designator is NOT a job title.

(c) Provide in the endorsement a compelling reason if the application will not be postmarked by the 1 July deadline. Without a compelling reason, applications postmarked after the 1 July deadline will not be considered.

(d) Once the command receives the application from the applicant and provides an endorsement letter that includes the required sections, the application package should be forwarded to the Nomination Review Board. It should not be returned to the applicant.

(5) Establish a Nomination Review Board to review the applicant's entire package including commanding officer's endorsement and Interviewer's Appraisal Sheets from the first board. This second board should consist of three URL Navy officers (Lieutenant (0-3) and above) not from the applicant's command, including one chairperson currently serving as a commanding officer and not subordinate to the applicant's commanding officer. This second board must read this chapter prior to conducting the interview and evaluation. Each board member must complete section 9, Interviewer's Appraisal Sheet (NAVCRUIT 1100/13), including the interviewer's opinion concerning the applicant's motivation and potential for a career as a naval officer, aptitude for advanced academic study, and
personal maturity. As applicants for STA-21 will likely be top performers, the interviewers’ opinions will have significant influence on the selection board. Although not stated on the form, board members shall annotate their rank, designator, and job title on their respective appraisal sheets. (Exception: CEC, NC, Special Duty Officer (Intelligence, Cryptology), and SC applicants should have at least one officer from their prospective community on the board. It is acceptable for all three board members to represent the applicant’s prospective officer community, but this is not required. LDOs in the appropriate restricted line community may also serve as board members for applicants to the target group option community.) After completion of this board, the Chairperson shall complete the Recommendation Form, section 7, sign the Interview Verification Form, section 8, and forward the package back to the applicant’s commanding officer for mailing to CNET.

(6) Upon receipt of the completed package from the Nomination Review Board Chairperson, commands shall forward all STA-21 applications to:

CHIEF OF NAVAL EDUCATION AND TRAINING
CNET (N79A5/STA-21)
250 DALLAS ST
PENSACOLA FL 32508-5220

Applications should not be returned to the applicant for mailing.

(7) Commanding officers who are unable to comply with paragraphs 7c(1) and 7c(5) shall provide in their endorsement an explanation of why the directed process could not be followed (i.e., isolated unit or deployment where other board members are not available or circumstances in which second board members were drawn from within the applicant’s command). Applicants whose commands cannot comply with the Nomination Review Board requirement will not be penalized in the selection process.

9. General Information

a. Applicants are responsible for submitting complete applications and must adhere strictly to the application procedures. Appendix G is provided to assist in the submission of a complete application. The most common errors found are:
(1) Applications are mailed after the application deadline without a compelling explanation from the commanding officer in his/her endorsement.

(2) Sections to the application letter, section 3, left blank or unsigned.

(3) Applicant took SAT or ACT test too late for the scores to arrive at CNET in time for the selection board or submitted scores that are too old. This is a disqualifier.

(4) SAT/ACT test scores are below minimum program requirements. There are no waivers.

(5) Interview Sheets do not indicate designator and/or job title of the interviewer. (Type or print job title in margin or above name. It is not printed on form.) LDO or Chief Warrant Officer (CWO) erroneously used as interviewers for the URL Program or without explanation.

(6) Personally composed statement does not include professional, vocational, or designator intentions of member (his/her goals as an URL officer), or states a Staff Corps or Restricted Line category other than CEC, SC, Special Duty Officer (Intelligence, Cryptology), or NC.

(7) Missing CO recommendation. A statement of “forwarded” or “forwarded for consideration” is not a recommendation.

b. A selection board will be convened annually in September by CNET to pick the primary group of program participants and a group of alternates as potential replacements should primary participants become ineligible for the program or fail to gain entrance to the university portion of the program. Additionally, selectees’ applications will be reviewed to determine those designated to attend BOOST before entering college. STA-21 (Nuclear Option) selectees will not be considered for BOOST.

c. Each applicant must keep CNET (N79A5/STA-21) advised by mail, e-mail, web page response, 1-800-NAVROTC (1-800-628-7682), or FAX (commercial (850) 452-2486/DSN 922-2486) of any change in address or telephone number from those provided in the application package, and of any change in physical status at any time.
d. Upon notification of selection, selectees will be required to submit to CNET (N79A5) their college acceptance letter(s), degree plan(s), and pre-commissioning physical. Delay in CNET receipt of this information may jeopardize the selectees’ chances of being placed at their first choice university/college or may result in call-up of an alternate.

e. College placement will be done following the selection board to allocate selectees to specific NROTC units. Assignment to a university will be based primarily upon the participant’s desires, academic performance, and NROTC unit capacity. Assignment to other than the first choice university may be made if considered in the best interest of the Navy or the selectee. Selectees and alternates are responsible for submitting applications and gaining admission to their desired university. Applicants must meet application deadlines at their choices of universities. Acceptance by an NROTC university does not guarantee assignment to that university. Special Warfare and Special Operations Option applicants should consider colleges or universities located in regions where special qualifications can be maintained. Nuclear Option applicants may only apply to schools designated in Appendix B.

f. Application materials will be retained as part of the STA-21 selectees' academic file. Non-selectees' applications will not be returned to the applicants. Applicants should ensure they retain a complete copy of their package and that original documents are not submitted if not required by this chapter.

g. Commissioning age restrictions apply for certain officer communities as specified in reference (g) and section 2. These restrictions are subject to change. They are applicable to specific STA-21 option programs and when applying for a designator (also known as community selection) just prior to commissioning.

h. All STA-21 participants must successfully complete the NSI prior to university entrance. Successful completion of BOOST, if assigned, is required to continue in the STA-21 Program.

i. All STA-21 participants will maintain physical fitness standards and will be required to meet officer accession standards as prescribed by CNETINST 1533.12G and reference (e).
j. If disenrolled from STA-21 at any time, students will be issued PCS orders to new assignments to complete 5 years of enlisted service from the date of program disenrollment or the remainder of their current enlistment, whichever is longer.

10. Transfer Policy. Candidates for STA-21 who receive PCS orders on or after the STA-21 application deadline shall not be transferred until officially notified of selection or nonselection to STA-21. If a transfer directive is received, the commanding officer shall notify the orders originating authority that the individual has applied for STA-21 and that orders (cite TC number) are being held in abeyance until notification of selection or non-selection is received. If the applicant is selected, the commanding officer shall notify the orders-originating authority that the individual has been selected and that the orders are considered canceled. If the applicant is not selected for STA-21, the command should transfer the individual and notify the orders-originating authority that the orders have been executed, referencing the previous correspondence that held the orders in abeyance. Nuclear Field applicants selected for STA-21 while serving, as students at Naval Nuclear Power Training Command (NAVNUWRTRACOM) or Naval Nuclear Power Training Unit (NAVNUWRTRAU) will be transferred per local instructions for enlisted personnel selected for a commissioning program.

11. Service Obligation

a. Upon receipt of PCS orders to STA-21, each selectee will be required to acquire a 6-year active service obligation by extending or reenlisting. Selectees are authorized by reference (g) to reenlist more than 1 year early if they are unable to satisfy the 6-year obligated service requirement with an extension of 48 months or less. Upon execution of an extension, the following entry shall be made on Page 1A of the service record:

"Reason for Extension: Education (STA-21). I understand that, upon admission to a university under this program, this extension becomes binding and may not thereafter be canceled except as provided in the MILPERSMAN."

b. STA-21 disenrollees will be issued PCS orders and are required to complete 5 years of enlisted service from the date of program disenrollment or the remainder of their current enlistment, whichever is longer.
c. Upon commissioning, 5 years of active commissioned service are required of all STA-21 officer candidates except Pilot and NFO Option participants (see section 2 for information regarding obligated service requirements).

d. Those who complete degree requirements, but fail to be commissioned, will be obligated for 5 years of enlisted service from the date of program disenrollment.

e. Additional obligated service may be incurred as a result of special training received following commissioning.

SECTION 2
STA-21 OPTION PROGRAMS

1. Nuclear Option (STA-21 Nuclear)

   a. STA-21 Nuclear is available for submarine and surface nuclear-trained officer billets. Due to the high priority of nuclear officer recruiting, a specific number of STA-21 seats are reserved for enlisted personnel who have successfully completed or are enrolled in the nuclear power training pipeline. The only applicants eligible to apply for this option are those who are currently:

      (1) enrolled in Nuclear Field “A” School (NUFLDASCOL), Naval Nuclear Power School (NAVNUPWRSCOL) or Naval Nuclear Power Training Unit (NAVNUPWRTRAU);

      (2) assigned to NAVNUPWRTRAU as staff pickup instructors or sea returnee instructors; or

      (3) assigned to Naval Nuclear Power Training Command as sea returnee instructors.

   b. STA-21 Nuclear Option students will attend NSI during March-April time frame, and then begin college during May-June session. The STA-21 Nuclear Option is available only at those specially identified universities, not including cross-town universities, listed in Appendix B. Participants must meet stringent academic requirements. Applicants must provide SAT or ACT scores. Minimum SAT/ACT score is 1140 SAT (combined, minimum 500 math and 500 verbal) or 50 ACT (combined, minimum 21 math and 20 English). Additionally, selectees must major in a technical curriculum and maintain a GPA of at least 3.0 on a 4.0 scale.

   c. Age

      (1) STA-21 Nuclear Option candidates must be able to complete degree requirements and be commissioned prior to age 26 years for students and staff pickup instructors. Sea returnee staff instructors must be commissioned prior to their 31st birthday.

      (2) STA-21 Core Program candidates desiring selection to the nuclear officer community upon graduation must be commissioned prior to their 27th birthday. A waiver for such
candidates is available on a case-by-case basis up to the 31st birthday.

   d. Medical Standards. All STA-21 Nuclear Option candidates must meet the physical qualification requirements for submarines and/or nuclear field duty of reference (d).

   e. Service Obligation. STA-21 Nuclear Option selectees incur a 5-year active duty obligation upon commissioning. Those STA-21 Nuclear Option disenrollees that drop on request prior to commissioning will be obligated for 5 years of enlisted service from the date of program disenrollment, or the remainder of their current enlistment, whichever is longer.

   f. Interviews. STA-21 Nuclear Option officer candidates will be interviewed by the Director, Naval Nuclear Propulsion for acceptance into the Naval Nuclear Propulsion Program as officers during their college schooling. This interview will be similar to those given for NROTC personnel. Officer candidates not accepted for nuclear training will be allowed to complete their degree but will not be commissioned as officers in the Naval Nuclear Propulsion Program. They may be considered for commissioning in other naval officer programs.

   g. Program Acknowledgement. Each candidate recommended for the STA-21 Nuclear Option by his commanding officer will acknowledge his or her understanding of program requirements by signing an Administrative Remarks (page 13) Statement of Understanding, (section 10). This statement will be filed in each candidate’s service record and a copy forwarded with the candidate’s application.

2. CEC Option (STA-21 CEC)

   a. This option is available only for active duty enlisted personnel of occupational field 13 (Seabees). In addition to standard STA-21 eligibility criteria, STA-21 CEC Option selectees must have at least 4 years of active duty (of which at least 3 years were in an other than formal training environment). Applications for the STA-21 CEC Option must also have sufficient college credits to complete requirements for a first professional ABET engineering degree or NAAB architecture degree within 36 months of starting STA-21 studies.

   b. Educational Requirements. Selectees will major in a NAAB-accredited architecture program or ABET-accredited engineering curricula and maintain a 3.0 minimum GPA on a 4.0
scale. Preferred engineering degrees are civil, mechanical, and electrical engineering.

c. **Age.** STA-21 CEC Option applicants must be able to complete degree requirements and be commissioned prior to their 35th birthday.

d. **Medical Standards.** Same as general STA-21 Program except color blindness is not a disqualifying condition.

e. **Service Obligation.** STA-21 CEC Option selectees incur a 5-year active duty obligation upon commissioning.

3. **Pilot Option (STA-21 Pilot)**

   a. While STA-21 will continue to provide the opportunity for pilot designation as well as other URL designators, graduates of STA-21 Pilot Option will be designated solely as Student Naval Aviators (SNAs) (designator 1395). All eligibility and application requirements listed in paragraphs 4 and 5 of this chapter must be fulfilled. In addition, STA-21 Pilot Option applicants must complete the following:

      (1) Achieve a score of at least the following: Academic Qualification Rating (AQR) 3/PFR 4 on the Pilot Flight Aptitude Rating (PFAR) portions of the ASTB. The report of ASTB scores will be enclosed in the application at section (4) along with the SAT or ACT scores. The ASTB can be taken at NROTC units, Navy Recruiting Districts, Navy Recruiting Processing Stations, or Navy Officer Recruiting Stations. In addition, command security officers may obtain exams from the Naval Operational Medicine Institute (Code 41), Pensacola, Florida. The request can be by telephone, FAX, letter, or message. Telephone: DSN 922-2187 (FAX DSN 922-2144) or commercial (850) 452-2187 (FAX (850) 452-2144). Message PLA address: NAVOPMEDINST PENSACOLA FL//41/>. The e-mail address is: code413@nomi.med.navy.mil.

      (2) If selected for STA-21 Pilot Option, eligibility must be maintained at the university in which enrolled. To ensure that requirements to become a SNA are understood, a Page 13 entry, signed and dated by the applicant and witnessed by a commissioned officer, will be executed after notification of selection and prior to receipt of PCS orders to STA-21 Pilot Option as follows:

      "I understand that I have been selected for the Seaman to Admiral-21 Pilot Option Program (STA-21 Pilot), and that, upon
graduation from my assigned university, I will be commissioned as a Student Naval Aviator (SNA) and be ordered to the Aviation Pre-Flight Indoctrination (API) Course, Naval Aviation Schools Command, Pensacola, Florida, provided the following is accomplished at the university to which assigned:

(a) I maintain NROTC professional, physical, and academic standards for midshipmen and officer candidates;

(b) I complete two semester courses of calculus and two semester courses of calculus-based physics;

(c) I achieve a score of "3" or better on the Academic Qualification Rating (AQR) portion of the Aviation Selection Test Battery (ASTB) prior to beginning my senior year; and

(d) I am certified physically qualified for commissioning as a SNA by the Naval Operational Medicine Institute within 18 months of commissioning."

b. Age. STA-21 Pilot Option candidates must be able to complete degree requirements and be commissioned prior to their 27th birthday. Maximum age limit may be adjusted upward to the 31st birthday with active duty or prior active duty service computed on a month-for-month basis.

c. Medical Standards. Applicants must complete and submit results of a SNA flight physical examination with cycloplegic eye refraction.

d. Service Obligation. STA-21 Pilot Option officer candidates will incur an 8-year active duty obligation upon date of designation as a Naval Aviator or 6 years from date of enrollment from flight training unless released by the Deputy Chief of Naval Operations (Manpower and Personnel).

4. NFO Option (STA-21 NFO)

a. While STA-21 will continue to provide the opportunity for NFO designation as well as other URL designators, graduates of STA-21 NFO Option will be designated solely as Student Naval Flight Officers (SNFOs) (designator 1375). All eligibility and application requirements listed in paragraphs 4 and 5 of this chapter must be fulfilled. In addition, STA-21 NFO applicants must complete the following:
(1) Achieve a score of at least the following: AQR 3/FOFAR 4 on the NFOFAR of the ASTB. The report of ASTB scores will be enclosed in the application at section 4 along with the SAT or ACT scores. The ASTB can be taken at NROTC units, Navy Recruiting Districts, Navy Recruiting Processing Stations, or Navy Officer Recruiting Stations. In addition, command security officers may obtain exams from the Naval Operational Medicine Institute (Code 41), Pensacola, Florida. The request can be by telephone, FAX, letter, or message. Telephone: DSN 922-2187 (FAX DSN 922-2144) or commercial (850) 452-2187 (FAX (850) 452-2144). Message PLA address: NAVOPMEDINST PENASCOLA FL//41/. The e-mail address is: code413@nomi.med.navy.mil.

(2) If selected for STA-21 NFO Option, eligibility must be maintained at the university in which enrolled. To ensure that requirements to become a SNFO are understood, a Page 13 entry, signed and dated by the applicant and witnessed by a commissioned officer, will be executed after notification of selection and prior to receipt of PCS orders to STA-21 NFO Option as follows:

"I understand that I have been selected for the Seaman to Admiral-21 Naval Flight Officer Option Program (STA-21 NFO), and that, upon graduation from my assigned university, I will be commissioned as a Student Naval Flight Officer (SNFO) and be ordered to the Aviation Pre-Flight Indoctrination (API) Course, Naval Aviation Schools Command, Pensacola, Florida, provided the following is accomplished at the university to which assigned:

(a) I maintain NROTC professional, physical, and academic standards for midshipmen and officer candidates;

(b) I complete two semester courses of calculus and two semester courses of calculus-based physics;

(c) I achieve a score of "3" or better on the Academic Qualification Rating (AQR) portion of the Aviation Selection Test Battery (ASTB) prior to beginning my senior year; and

(d) I am certified physically qualified for commissioning as a SNFO by the Naval Operational Medicine Institute within 18 months of commissioning."

b. Age. STA-21 NFO Option selectees must be able to complete degree requirements and be commissioned prior to their 30th birthday. Maximum age limit may be adjusted upward to the
32nd birthday with active duty or prior active duty service computed on a month-for-month basis.

c. Medical Standards. Applicants must complete and submit results of a SNFO flight physical examination with cycloplegic eye refraction.

d. Service Obligation. STA-21 NFO Option officer candidates will incur a 6-year active duty obligation upon date of designation as a NFO or 6 years from date of disenrollment from flight training unless released by the Deputy Chief of Naval Operations (Manpower and Personnel).

5. Special Operation (SPECOPS) Option (STA-21 SPECOPS)

a. Age. STA-21 SPECOPS Option selectees must be able to complete degree requirements and be commissioned by their 29th birthday. Maximum age limit may be adjusted upward for active service on a month-for-month basis up to 24 months. Waivers beyond 24 months will be considered for enlisted personnel who possess particularly exceptional qualifications, provided they can be commissioned prior to their 35th birthday.

b. Medical Standards. Applicants must pass physical qualification per Chapter 15 of reference (d). BUMED 21 must review Report of Medical Exam (Form DD 2808). During this review, BUMED will indicate in block 77 qualification for diving duty and/or combat swimmer, and stamp the package that the individual is Physically Qualified (PQ) for diving and/or combat swimmer.

c. Service Obligation. STA-21 SPECOPS Option selectees will incur a 5-year active duty obligation upon commissioning.

6. Special Warfare (SPECWAR) Option (STA-21 SPECWAR)

a. Age. STA-21 SPECWAR Option selectees must be able to complete degree requirements and be commissioned by their 29th birthday. Maximum age limit may be adjusted upward for active service on a month-for-month basis up to 24 months. Waivers beyond 24 months will be considered for enlisted personnel who possess particularly exceptional qualifications, provided they can be commissioned prior to their 35th birthday.

b. Enlisted Source. STA-21 SPECWAR Option applicants must have one of the following NECs: 5323, 5326, 8492, or 8491.

INTERVIEW VERIFICATION FORM

GUIDANCE TO COMMANDERS AND COMMANDING OFFICERS ON
SEAMAN TO ADMIRAL-21 NOMINATIONS

Today's Navy must make every effort to select, train, and develop
the very best and brightest candidates to meet the challenges our
officer corps will face in the 21st Century. The Seaman to Admiral-21
(STA-21) Program is a significant improvement over the enlisted com-
missioning programs of the past. It focuses the selection of enlisted
personnel for officer accession under a single programmatic umbrella,
provides increased financial support to Sailors who seek to become
naval officers, and simplifies application and selection processes.

Your role is absolutely critical to ensure only those who possess
the greatest potential to become outstanding officers are offered the
opportunity to earn a commission. Your personal recommendation is the
single most important factor in the STA-21 selection process. Look
into the candidate's eyes and ask yourself, "Does this young man or
young woman possess the character, intellect, drive, leadership poten-
tial, and devotion to become a good naval officer?" Remember that you
are nominating those who will, in the future, exercise the immense
responsibility of command that you enjoy today.

Leadership and integrity are the primary officer attributes.
Although the applicant's academic record and desire may be exemplary,
they are not enough. While academic potential should play a role in
your recommendation, it must not override leadership potential and
other indicators of future success as a naval officer. Every STA-21
selectee should reasonably be expected to not only complete a college
education, but also serve as a career naval officer.

Since members of the STA-21 selection board will not have first-
hand knowledge of each applicant's potential and attributes, selec-
tions are based solely on information contained in the application.
During your personal interview with the applicant, you have the
opportunity to reveal information about the nominee's potential that
would be very valuable to selection board deliberations. If you
nominate more than one applicant, clearly differentiate the relative
potential of the various candidates. There simply is no more impor-
tant issue than the future leadership of the naval service. Your part
in this process cannot be understated. The Navy is relying on you to
clearly communicate the nature and strength of your recommendation to
help select our finest candidates.

1. The purpose of the interview is to evaluate accurately and impartially the characteristics of the candidate to determine potential as a commissioned officer and motivation toward service in the Navy.

2. The interview should take a minimum of 15 minutes. A period of 15-30 minutes is usually adequate, although more time may be necessary on occasion.

3. Discussion topics should draw out the applicant. Suggested topics include: Navy programs, service life, school experience, personal interests, goals in life, current events, sports, family attitude toward application, and any others suggested by a review of the application file.

4. Marking is difficult. Your judgments form an important part of each applicant's file, and usually represent the only personal contact with the applicant reported by an official of the Navy. Be fair and impartial, neither too easy nor too hard on the applicant. Mark only on what you have observed personally, not on the opinions or comments of others.

5. No marks should be put on this form until the interview has been completed.

6. If it appears that the space for comments will not be sufficient, phrases may be used rather than complete sentences.

7. Below is a checklist of characteristics which interviewing officer can observe or adjectives that can be used to describe these characteristics in applicants. This is meant only to assist the interviewer in preparing for the interview and in making a written evaluation afterward. It is not intended to be all-inclusive.
